

CONTINUE THE LEGACY. DEFINE YOUR FUTURE.

Albany | Athens | AUGUSTA | Brunswick | Dalton | Rome | Savannah

2023 ADMISSIONS FACT SHEET

As one of the nation's first public medical schools, the Medical College of Georgia at Augusta University has a long legacy of training outstanding physicians. One in five Georgia physicians have either attended MCG or completed their residency at MCG/AU Health. The 264 students admitted into the 2023 entering classes are the latest individuals to join the MCG family. These exceptional students were selected based on a host of criteria including, but not limited to academic metrics, intellectual curiosity, health care experience, leadership, service to others, and their commitment to serve the healthcare needs of Georgians. The talented individuals that comprise the 2023 entering class are as diverse as the population they will one day serve and are reflective of MCG's core values of collegiality, compassion, excellence, inclusivity, integrity, and leadership.
