

# Explore the pieces of your puzzle...

## Major Decisions

Deciding on a major is basic to your education. It's a puzzle for you to solve. Come talk to us about your progress!

**Academic  
Advisement**

- Set specific times to learn more about yourself & your University.  
*Commit an hour each week to your exploration & visit Career Services, stroll the history walk, attend a campus event or volunteer your help.*
- Keep yourself open to possibilities—explore with an open mind!  
*Check out campus films, lectures, plays or the latest show at the art gallery — stretch your mind!*
- Sift out your preferences, strengths, abilities.  
*Test out your talents by joining a campus group or grow your skills in a workshop/seminar.*
- Gain a clear understanding of degree programs and career opportunities.  
*Visit Academic Advisement, Career Services, or an academic department. Ask questions and follow up.*
- Reflect on what you have learned.  
*Meet with your advisor to discuss the information that you have gathered and to plan your next steps.*
