Pedo at the Beach
October 7 - 9, 2016

Presented by The Dental College of Georgia at Augusta University and Division of Professional and Community Education at The Omni Hilton Head Oceanfront Resort, Hilton Head Island, South Carolina

featuring Kevin Donly, DDS, MS
PURPOSE AND OBJECTIVES

The purpose of this course is to update the dental provider on current concepts in the non-surgical and surgical management of dental caries. Dr. Donly will provide a review of the most current techniques for prevention, diagnosis, and management of enamel demineralization. He will also review a wide range of restorative materials and techniques, including risk assessment utilization in decision-making, based on recommendations from the American Academy of Pediatric Dentistry’s Symposium on Pediatric Restorative Dentistry.

At the conclusion of the course, participants should be able to:
• Be exposed to early diagnosis of enamel demineralization and understand preventive regimens available, as well as appropriate intervention with these agents, using minimally invasive techniques;
• Discuss pediatric dentistry standards of care using risk assessment in decision-making;
• Discuss the newer commercially available resin-based composites and dentin bonding resins; and understand their mechanism of action and visualize clinical utilization of these materials;
• Recognize the clinical utilization of traditional, photopolymerized glass ionomer cements and compomers, including indications and contraindications;
• Discuss the use of stainless steel crowns and zirconia crowns including indications, contraindications, preparation techniques and cementing agents.

TARGET AUDIENCE

General dentists, dental specialists, auxiliaries and other dental professionals.

CREDIT

The [Dental College of Georgia at Augusta University] is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp

The Dental College of Georgia at Augusta University designates this activity for 12.0 continuing education credits. 01/01/14 – 12/31/17. The formal continuing education programs of this program provider are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extends from 01/01/14 – 12/31/17.

To register online visit [www.Augusta.edu/ce]
Kevin Donly, DDS, MS, Professor and Chair in the Department of Developmental Dentistry and Professor in the Department of Pediatrics at the University of Texas Health Science Center at San Antonio. Previous positions include Professor and Associate Director of the Center for Clinical Studies at the University of Iowa, Associate Professor, Pediatric Dentistry at the University of Texas Dental Branch at Houston and Associate Professor, The University of Texas Medical School. He received his DDS in 1984, Certificate in Pediatric Dentistry in 1986, and MS in 1986 from the University of Iowa.

Dr. Donly is a Diplomate of the American Board of Pediatric Dentistry, formerly on the Board of Trustees for the American Academy of Pediatric Dentistry, Board of Directors for the American Academy of Pediatric Dentistry Foundation, is the previous Chair of the American Academy of Pediatric Dentistry Council on Post-doctoral Education, Past-President of the American Society of Dentistry for Children and past Chair of the Public Information Committee for the American Academy of Pediatric Dentistry. He has served as the Pediatric Dentistry Commissioner for the Commission on Dental Accreditation. He has published over 350 chapters, manuscripts and abstracts associated with pediatric dentistry, dental restorative materials research and clinical utilization.

AUGUSTA UNIVERSITY FACULTY

Steven M. Adair, DDS, Course Director, received his dental degree from the University of North Carolina, and his Master’s degree and certificate in Pediatric Dentistry from the University of Iowa. He is Professor Emeritus and former chair of the Department of Pediatric Dentistry at the Medical College of Georgia. He is a Diplomate of the American Board of Pediatric Dentistry, and has served on numerous national committees and editorial positions. Adair is currently president of Palmetto Dental Consulting LLC and serves as Senior Clinical Affairs Advisor for the DentaQuest Care Group.

SPECIAL NEEDS

The Augusta University Division of Professional and Community Education complies with the Americans With Disabilities Act. If you require special services, facilities or dietary considerations (vegetarian or otherwise) to support your participation in this continuing education program, contact the conference coordinator at 800-221-6437 or 706-721-3967.

COMFORT ZONE

Although every effort is made to have a comfortable temperature in the meeting room, we realize everyone’s comfort zone is different. Please bring a jacket or sweater in case the room is too cool for your comfort.
RESORT REGISTRATION FORM

Pedo at the Beach — October 7 - 9, 2016

CONFERENCE SCHEDULE

Friday, October 7, 2016
7:30 a.m. Continental Breakfast
7:45 a.m. Welcome and Introduction to Course – Dr. Adair
8:00 a.m. Update on Caries Remineralization Agents – Dr. Donly
   This presentation will discuss the early diagnosis of tooth demineralization and intervention with fluoride (including fluoride varnish and silver diamine fluoride), glass ionomer surface protectants, sealants and minimally invasive products and procedures (including CPP-ACP paste, xylitol and chlorhexidine). Risk assessment utilization in decision-making for restorative care will be discussed and related to recommendations made by the American Academy of Pediatric Dentistry for restorative dentistry care in children and Evidence-Based Clinical Recommendations of the American Dental Association.

10:00 a.m. BREAK
10:15 a.m. Update on Caries Remineralization Agents (continued)
12:15 p.m. Adjourn

Saturday, October 8, 2016
7:30 a.m. Continental Breakfast
7:45 a.m. Update on Pediatric Restorative Dentistry, Part I – Dr. Donly
   This presentation will be related to recommendations made by the American Academy of Pediatric Dentistry for restorative dentistry care in children, including the use of amalgam, glass ionomer cement, resin-based composite, stainless steel crowns, strip crowns and zirconia crowns. Today, we will focus on the AAPD Update in Pediatric Dentistry Symposium.

9:45 a.m. BREAK
10:00 a.m. Update on Pediatric Restorative Dentistry, Part I (continued) – Dr. Donly
12 noon Adjourn

Sunday, October 9, 2016
7:30 a.m. Continental Breakfast
7:45 a.m. Update on Pediatric Restorative Dentistry, Part II – Dr. Donly
   Today we will continue our discussion on recommendations made by the American Academy of Pediatric Dentistry for restorative dentistry care in children. Enamel microabrasion and vital tooth bleaching in children will be discussed and treatment modalities recommended.

9:45 a.m. BREAK (please check out of the resort at this time)
10:00 a.m. Update on Pediatric Restorative Dentistry, Part II (continued) – Dr. Donly
12:00 noon Adjourn
