32nd Annual
“Specialize”
Your General Practice
September 1-3, 2017

Labor Day Weekend

Presented by Augusta University and the Division of Professional and Community Education at the Jekyll Island Club Hotel, Jekyll Island, Georgia
PURPOSE

This lecture presentation is to provide practitioners and their staff the latest information on topics relevant to their dental practices. This year we will be offering a broad spectrum of topics to include the management of implant failures, the diagnosis and treatment of common oral lesions, partial coverage restorations, pediatric space maintenance, and digital impressions. In addition, we will be presenting an overview of the millennial associate, a topic that continues to be at the top of the list of requested presentations.

OBJECTIVES

This course is designed to prepare participants to:

• Use laser techniques appropriately on soft and hard tissue.
• Use guided implant surgeries.
• Define functional principles that affect the size, shape and position of restorations.
• Describe the methods used by general dentists to control sleep apnea.
• Provide complex esthetic restorative needs.
• Increase proficiency with state-of-the-art procedures in private practice.
• Decide if CAD/CAM and Sleep Apnea technology are a good fit for your practice.

COURSE FACULTY

Richard S. Callan, DMD, EdS, Course Co-Director and Professor and Chair of the Department of General Dentistry in the Dental College of Georgia at Augusta University. Dr. Callan supervises the Comprehensive Care Clinic along with co-directing the practice management courses offered within the Dental College of Georgia. He maintains an intramural general dental practice and conducts both educational research and research on practical applications of modern techniques and materials. He is a member of the American Dental Education Association’s Commission on Change and Innovation, the International College of Dentists, the American College of Dentists, the Pierre Fauchard Academy, OKU Dental Honor Society, Augusta University Academy of Educators, and the Phi Kappa Phi Honor Society Academy of Educators.

Jeril R. Cooper, III, DMD, Course Co-Director and Associate Professor of General Dentistry at Augusta University, earned his dental degree from MCG. He maintained a full-time general dentistry practice for 30 years before joining AU, where he has an active faculty practice in addition to providing clinical supervision in the Department of General Dentistry and is a member of the Dental College of Georgia Esthetic team. He is a member of the Pierre Fauchard Academy, Hinman Society, a Fellow of the Academy of General Dentistry and received Augusta University’s 2008 Judson C. Hickey Award.
Jack Bell, DMD, graduated from the Medical College of Georgia in 2011 and attended the Augusta University AEGD residency program from 2011-2012. Dr. Bell practices in a 3rd generation dental practice started by his grandfather in 1954. He works exclusively with his own in-house lab, Excel Dental lab, in order to ensure the highest quality.

Dr. Bell has spent the last 2 years developing an open digital dentistry work flow to maximize the use of CBCT, intra oral scanners, CAD/CAM, and 3D printing. He is a member of the ADA, ICOI, AGD, ALD, JPD, AAP, and Blue Sky Academy.

Andrew Currie, DMD, is an Atlanta native who graduated from the University of Georgia in 2006 with degrees in Biology and Spanish. Dr. Currie continued his education at the University of Louisville School of Dentistry where he simultaneously earned his DMD and a Masters in Oral Biology. After graduating dental school in 2010, he completed a two-year General Practice Residency at the Medical College of Georgia (now Augusta University) where he served as Chief Resident during his second year.

Dr. Currie is a co-owner of Atlanta Dental Spa, a group practice in Atlanta, GA, where he functions as the surgical dentist in a team of talented cosmetic and full-mouth rehabilitation clinicians.

Dr. Currie was awarded a Diplomate in the International Congress of Oral Implantologists in 2015. Since entering private practice in 2012, much of his time has been spent incorporating digital dentistry into his office including cone-beam CT radiology, digital impressions, virtual wax-ups, and in-house 3-D printing of CT-based implant surgical guides.

Dr. Currie volunteers as part-time faculty in the GPR in Augusta to give back to the program that started his career and to help pass on some private practice knowledge to up-and-coming dentists.

Jeff Horowitz, DMD, completed his undergraduate studies at the University of Pittsburgh and earned his DMD degree from the Medical University of South Carolina in Charleston. Upon graduation he completed a general practice residency at the Mountainside Hospital in Montclair, N.J. In 1992, Dr. Horowitz founded the Carolina Center for Advanced Dentistry, a multi-disciplinary group practice in the Conway/Myrtle Beach, SC area. He is also the founder and clinical director for Advanced Sleep and TMJ Centers. His main interests include treatment of sleep disordered breathing, cosmetic smile rehabilitation, complex restorative cases, orthodontics and temporo-mandibular disorders.

Dr Horowitz has earned fellowship from the Academy of General Dentistry where he is actively involved as a past-president and dental education council member. He also serves as a mentor at the Kois Center for Advanced Dental Studies, a key opinion leader/lecturer for the Catapult Group, and an instructor for Sleep Group Solutions. His affiliations include the Pierre Fauchard Academy, the American Academy of Cosmetic Dentistry, the American Orthodontic Society, the Piper Study Group, American Association of Dental Sleep Medicine, American Board of Dental
Sleep Medicine, Carolina Sleep Society, and the American Academy of Craniofacial Pain. Dr. Horowitz lectures internationally, has been published in dental literature, and has contributed television news media reports.

Phillip Kraver, DMD, FAGD, MICOI graduated Magna Cum Laude from the University of Florida College of Dentistry, where he also received an Honors Certificate in Prosthodontics. After graduation he completed a General Practice Residency program at the Medical College of Georgia. He now practices in Cape Coral, FL and enjoys utilizing digital dentistry for complex surgical and prosthetic treatment planning. Dr. Kraver is a member of the American Dental Association, Florida Dental Association, American Academy of Dental Sleep Medicine, American Society for Dental Anesthesia and has a Mastership in the International Congress of Oral Implantology. He is also a proud Fellowed member of the Academy of General Dentistry.

Tom McDonald maintains a full time private practice in Athens, Georgia. He also serves on the faculty of The Dental College of Georgia as Clinical Instructor of Restorative Services. For more than 25 years, he has presented lectures and participation courses in the area of occlusion, esthetics, and restorative dentistry.

Michael E. Pruett, DMD, Assistant Professor and Director, General Practice Residency, received his DMD from the Medical College of Georgia. He completed a two-year General Practice Residency at the University of Virginia and then became the Director of Dentistry at Mount Sinai Hospital in Hartford, CT, and the Assistant Program Director of the GPR at Saint Francis Hospital and Medical Center. He has placed and restored dental implants for the last 20 years with an active private practice emphasizing hospital dentistry, managing medically compromised patients, implant placement and restoration, and sedation dentistry. Dr. Pruett is a Fellow in the International College of Dentists and the Pierre Fauchard Academy. He is a Diplomate in the International Congress of Oral Implantologists. He is also active in many dental organizations including ADA, GDA, the Hinman Dental Society, American Society of Dental Anesthesiology, the Academy of Osseointegration, and the American Academy of Implant Dentistry. In 2013, he received the Augusta University Dental College of Georgia’s Distinguished Alumnus Award.

Craig Widener, DMD, a lifelong resident of Bowdon, Georgia, Dr. Widener graduated from the Medical College of Georgia School of Dentistry in 1999. He has been a general dentist in private practice in his hometown for 17 years. Dr. Widener was awarded the Academy of General Dentistry award and is also a member of Omicron Kappa Upsilon.

Dr. Widener completed the curriculum at The Dawson Academy, Solea Laser Training in Scottsdale Arizona and is currently studying implant surgery at the MaxiCourse in Implant Dentistry at the Dental College of Georgia at August University. Dr. Widener is a member of the American Academy of General Dentistry, American Academy of Cosmetic Dentistry, and the American Academy of Laser Dentistry.
CONFERENCE SCHEDULE

Location: Sessions will be held in the Jekyll Island Club Hotel, Jekyll Island, Georgia

Friday, September 1, 2017

7:00 a.m.  Registration and Continental Breakfast
7:30  Welcome and Introduction – What to Expect From the Weekend – Drs. Callan and Cooper

**CREDIT**

The Dental College of Georgia at Augusta University is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp

The Dental College of Georgia at Augusta University designates this activity for 13 continuing education credits. 01/01/14 – 12/31/17.

The formal continuing education programs of this program provider are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extends from 01/01/14 – 12/31/17.

---

**COMFORT ZONE**

Although every effort is made to have a comfortable temperature in the meeting room, everyone’s comfort zones vary. Please bring a jacket or light wrap for your comfort.

---

**SPECIAL NEEDS**

The Division of Professional and Community Education of the Augusta University complies with the Americans With Disabilities Act. If you require special services, facilities or dietary considerations (vegetarian or otherwise) to support your participation in this continuing education activity, contact the conference coordinator at 800-221-6437 or 706-721-3967.

---

**TARGET AUDIENCE**

Dentists, auxiliaries, and other dental professionals
Make Jekyll Island your playground escape!

With so many recreation options available, a trip to Jekyll Island is an opportunity to refresh yourself physically and mentally through activity. The beautiful weather, ocean breezes, serene natural setting and numerous outdoor activities make Jekyll Island ideal for a relaxing vacation.

GOLF: With 63 holes of golf, Jekyll Island is Georgia’s largest public golf resort. Three 18-hole courses and a historic nine-hole course offer an unmatched variety of golf experiences operating from one facility. The laid-back atmosphere combined with quality conditions have made Jekyll Island a popular group and tournament site, including the home of the U.S. Kids Golf World Championship and the Georgia State High School Championship.

SUMMER WAVES WATER PARK: From exciting water slides for older children and adults to a lazy river great for a relaxing day in the sun, Summer Waves is the perfect spot to cool down. The park also has an area for younger children. Visit www.summerwaves.com or call 912-635-2074 for details.

TENNIS: The Jekyll Island Tennis Center, with 13 clay courts, has been recognized as one of the finest municipal facilities in the country. Camps for every level are offered during the summer and personal lessons and small-group clinics can be scheduled when you arrive.

MARINAS, FISHING & BOATING: Characterized by over 700,000 acres of salt marsh, numerous fresh water rivers and miles of pristine ocean, the Georgia coast is fishing heaven for tarpon, whiting, red drum, sea trout, triple tail, spotted sea trout, striped mullet, sheepshead, black drum and the list goes on.

BEACHES: Sunbathe, swim, beachcomb or jog – Jekyll Island boasts 10 miles of uncrowded, unspoiled beach for a variety of activities. Find solitude and communion with nature where the land meets the sea. Shell-collecting is a popular island pastime for guests young and old.

SEA KAYAKING AND CANOEING: You’ve never seen marshland from this close before! One of the best ways to explore Jekyll’s estuarial waters is in a kayak or canoe. Experience the intriguing ecosystem of Georgia’s beautiful coast when you strap on your lifejacket and grab a paddle!

BICYCLE TRAILS: Explore over 20 miles of winding trails perfect for biking, jogging or walking. These paved paths are a great way to explore Jekyll’s historic sites, beaches, marshes and maritime forests.
LOCATION

Jekyll Island, one of Georgia’s four Golden Isles, offers miles of gentle beaches along the Atlantic, scenic golf courses, tennis courts, sailing and close proximity to the other Golden Isles. Historic sites abound, including old forts, lovely mansions of yesteryear, and intriguing museums.

The tradition of The Jekyll Island Club began a century ago, when it was founded as an exclusive retreat for the Morgans, Pulitzers, Rockefellers and Vanderbilts. Visitors may enjoy the same natural beauty and elegant architecture in the newly restored Jekyll Island Club, where these high-society members once came to relax.

Please indicate choice of accommodations preferred when contacting resort. All rooms have Victorian furnishings and rates are single or double. Traditional rooms are larger and are located in adjacent buildings. ($25 for extra person over two people).

- Club Queen $206
- Deluxe King $269
- Double Queen Suite $341
- Traditional King – Double/Double $242
- King Parlor $296
- DLX King Suite $359

An advance deposit of one night’s room/suite rate plus tax and a $15 per day resort fee is required for all reservations. Advance notice of 72 hours is required to cancel individual reservations for full refund of deposit. Credit card, personal check, company check or cashier’s check accepted. Two-night minimum required on weekend (Friday and Saturday nights). Check-in time is 4 p.m. and check-out time is at noon.
