39th Annual
Neonatology: The Sick Newborn
Including NAS and PICC Line Workshops
September 15 - 17, 2017

Presented by Medical College of Georgia at Augusta University and Division of Professional and Community Education at Kiawah Island, South Carolina
39th Annual Neonatology: The Sick Newborn
Including NAS and PICC Line Workshops
September 15 - 17, 2017
Kiawah Island, South Carolina
Join us Saturday night for an authentic Low Country Oyster Roast reception with specialty beverage.

Dinner includes a whole pit roasted pig, carolina pork spareribs, and all of the southern side dishes you would expect.

Network with other neonatal professionals as you enjoy music and the beautiful waterfront scenery of Mingo Point.

Tickets are $35 per adult and $20 for children 5-12, under 5 free.

Tickets include two bar tickets for wine, beer, or soft drinks.

Pre-registration Required

CREDIT

The general session of this activity includes a maximum of 13.0 hours of instruction and is approved by the Medical College of Georgia at Augusta University for 13.0 continuing education credit hours.

For nurses: The Augusta University Division of Professional and Community Education is an approved provider of continuing nursing education by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

13.0 Contact hours.

Accreditation: The Medical College of Georgia at Augusta University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation: The Medical College of Georgia at Augusta University designates this live activity for a maximum of 13.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Note: Optional PICC I and II workshop includes 8 AMA PRA Category 1 Credits™ and 8 contact hours. Optional NAS workshop includes 8 AMA PRA Category 1 Credits™ and 8 contact hours.

REGISTRATION FEE

The registration fee includes attendance to the conference, continental breakfasts, refreshments, and access to a website to download copies of handouts prior to the conference.

Optional workshops (PICC I & II and NAS) are available for additional fees.

Handouts received prior to our deadline may be downloaded from web link.

10:00 a.m. Break/Checkout
10:45 a.m. Improving Growth in the Human Milk Fed Premature Infant
            – Amy Gates, RD, CSP, LD
11:30 a.m. What’s Up with Reflux?
            – Jose Garza, MD, MS
12:30 p.m. Adjourn
This conference will update neonatal health care professionals on basic and complex neonatal issues. Workshops on PICC Line and NAS are featured. The conference will benefit both the health care professional new to neonatal-perinatal medicine and the experienced practitioner.

This conference should enable participants to:

• Provide guidelines for applying evidenced based practice in a neonatal intensive care environment
• Review the prenatal and neonatal risks associated with the Zika virus
• Provide guidance for maintaining HIPPA compliance when using advanced technology and social media in a hospital environment
• Describe the ongoing threat of bronchopulmonary dysplasia and review evidenced based treatment methods
• Outline uses for Near Infrared Spectroscopy in the neonatal population
• Describe the symptoms, prevention, and treatments for intestinal perforation in neonates
• Provide guidelines for comprehensive nutritional assessment of premature infants
• Demonstrate the necessary skills for supporting the breastfeeding mother of a hospitalized infant
• Outline a nutrition plan for improving growth of the human milk fed premature infant
• Define reflux – it’s causes and treatments

The Augusta University Division of Professional and Continuing Education complies with the Americans with Disabilities Act. If you require special services, facilities, or dietary considerations (vegetarian or otherwise) to support your participation in this continuing education program, contact the conference coordinator at 800-221-6437 or 706-721-3967.
HOTEL RESERVATIONS

For reservations, contact the Reservations Department, Kiawah Island Resort, 1 Sanctuary Beach Drive, Kiawah Island, SC 29455. Call 800-654-2924, and identify your group as Augusta University and/or group booking number 12987. Deadline for reservations is August 13, 2017. Reservations received after this date will be filled on a space-and-rate available basis. Check-in time is 4 p.m. with checkout time at 10:30 a.m. Room rates (scenic view villa): $187 one bedroom, $228 two bedrooms.

KIAWAH ISLAND RESORT

Located just 21-miles south of beautiful and historic Charleston, South Carolina, Kiawah Island Golf Resort offers an unmatched golf experience with a unique combination of distinctive golf courses, a spectacularly beautiful natural setting, luxurious resort amenities and gracious hospitality.

Golf is the most popular activity on the resort with five championship courses led by the world-famous Ocean Course, site of the 1991 Ryder Cup and the 2012 PGA Championship. Additionally, the resort is renowned for its tennis. Tennis Resorts Online ranks it as the No. 1 tennis resort in the world, a spot it has held for seven of the last nine years.

Kiawah has recently received an impressive array of rankings in various magazine readers’ polls proving that service is still king on Kiawah Island.

- No. 1 island in North America and No. 2 island in the world (behind Palawan, Philippines) – Conde Nast Traveler Magazine
- 2012 Happiest Seaside Town – Coastal Living Magazine
- Among the Top 10 beaches in America – Dr. Stephen Leatherman (aka Dr. Beach)
- No. 3 Golf Resort in the U.S. – Conde Nast Traveler Magazine
- No. 4 Golf Resort in the world – Andrew Harper Readers’ Choice Award
- Golf Magazine Platinum Resort
- Forbes Five Star-rated spa (since 2006)

With 10 miles of stunning shoreline and an unmatched golf experience, Kiawah Island Golf Resort is one of America’s top vacation destinations. In addition to the five championship golf courses, two tennis centers, it is known as one of the top eco-friendly resorts in the U.S. and has a world-renowned recreation and nature program.
