

AUGUSTA UNIVERSITY
**DENTAL COLLEGE
OF GEORGIA**

CPR Policy

The Georgia Board of Dentistry, ADA Accreditation Standard 2-26, and the Dental College of Georgia policy requires that all faculty, residents, students and staff involved in patient care must have current CPR certification. Specifically, these requirements apply to each of the following groups:

Faculty: Licensed dentists must have current CPR certification.	Residents: Dental Residents must have current CPR certification.
Students: Dental Students must have current CPR certification.	Classified Staff: Classified Staff involved in patient care must have current CPR certification.
