Statement of Policy
Georgia Regents University recognizes that teachers and other professional educators are role models for the students who come in contact with them during and after school hours. As role models, teachers and other staff should be conscious of their dress and grooming and how it may affect students and parents. Teachers and staff are expected to dress in a professional and appropriate manner that will be most conducive to the educational environment. Teacher candidates should be clean, neat, well groomed and dressed in an appropriate manner for their individual work assignments. A wide variety of teaching styles and activities occur between age and grade levels. Therefore, activities and/or assignments planned for the day will dictate, to a degree, the style of dress considered appropriate attire. Good judgment and common sense should be used in choosing appropriate attire. The responsibility for determining appropriate grooming and dress shall be placed under the supervision of the school administrators and the GRU supervising faculty. As a general rule, shorts, sweats, and warm up suits are not appropriate dress. Exceptions would be physical education, field days, special dress days and field trips when special attire is required.
