COST OF ATTENDANCE

The cost of attendance (COA) is not the bill that you may get from your college; it is the total amount it will cost you to go to college each year. The COA includes tuition and fees; on-campus room and board (or a housing and food allowance for off-campus students); and allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care. It can also include other expenses like an allowance for the rental or purchase of a personal computer, costs related to a disability, or costs for eligible study-abroad programs.
