### EDUCATION

**University of Kentucky**, Lexington, KY

Doctor of Philosophy in Educational Policy Studies and Evaluation, December 2009

**University of Kentucky**, Lexington, KY

Masters of Science in Education, December 1994

**Clemson University**, Clemson, SC

Bachelor of Science in Financial Management, August 1990

### ACADEMIC HONORS

- Holmes Scholars, University of Connecticut, 1995-96  
*The Holmes Scholars Program promotes scholarship and professional training for professorate and leadership careers in education. The Program is comprised of a select group of ethnic minority graduate students from member institutions.*
- Lyman T. Johnson Associate Fellowship for minorities, University of Kentucky, 1994

### RESEARCH TRAINING

National Institute of Drug Abuse and Morehouse School of Medicine

Addiction Research Training Institute (July 14-17, 2014)

*Post-doctoral Scholar*

Aims of Addiction Research Training Institute:

- Train early/new investigators to become funded researchers in the area of substance abuse and addiction.
- Increase researchers' knowledge and skills on conducting research in minority populations.
- Develop research skills in regard to mental health, cultural competency, health disparities, grant writing and funding, and career development.

## PROFESSIONAL & RESEARCH EXPERIENCE

### **Augusta University<sup>1</sup> (March 2013 – present)**

Institute of Public and Preventive Health

Department of Family Medicine, Medical College of Georgia

*Assistant Professor (June 2014 – present)*

- Investigate health disparities (e.g., offenders), particularly in regard to sexually transmitted infections and obesity-related conditions.
- Secure funding to support research and scholarship.
- Teach public health courses related to health disparities, social determinants of health and correctional health.
- Coordinate student activities and departmental service relationship with adult and juvenile correctional facilities.
- Serve as a faculty advisor and mentor to MPH students.

Office of Diversity and Inclusion

*Assistant Professor (March 2013 – May 2014)*

*Director of African American Male Initiative (September 2013 – May 2014)*

- Taught an introductory course on cross-cultural competency to health sciences students to include medical, nursing and dental students.
- Designed and delivered continuing education and professional development courses and workshops for healthcare professionals.
- Served as faculty advisor and resource for health sciences students and first generation African American male students.
- Collaborated and supported faculty educators across health sciences programs to design and integrate cultural competence into their courses.

### **Virginia Tech (January 2012 – February 2013)**

Department of Population Health Sciences, Center for Public Health Practice & Research

*Assistant Director (January 2012 – February 2013)*

- Co-launched new center for public health and community-based practice.
- Conducted interdisciplinary and community-based research to understand and improve the health status of Southwest Virginia and Appalachia.
- Facilitated community-based leaders with the design of studies.
- Sought external funding for exploratory and intervention-based studies.
- Provided lectures to public health students and international scholars.
- Created a network to encourage and support faculty and graduate students collaboration on public health studies and scholarship.
- Collaborated on the design, implementation and evaluation of a pipeline program to attract high school, undergraduate and graduate students to public health careers.

---

<sup>1</sup> Augusta University formerly was named Georgia Regents University.

## **University of Kentucky (September 1996 – November 2011)**

### Department of Family and Community Medicine

#### *Assistant Professor & Interim Director (July 2011 – November 2011)*

- Oversaw contractual obligations in regard to clinical services, research and quality improvement studies, and the cost-effectiveness of healthcare services for the Kentucky Department of Corrections.
- Managed relationship between the University of Kentucky and the Department of Corrections and health services companies.
- Supervised accounting staff, researchers (professionals and students) and health service providers.
- Provided leadership and guidance for improving healthcare services, controlling cost and developing policies.

#### *Assistant Professor & Assistant Director (September 2010 – June 2011)*

- Conducted scholarly activities in collaboration with faculty and staff throughout the academic health center.
- Sought funding opportunities to support research and scholarship.
- Created reports, developed manuscripts, presented health and educational findings pertaining to medical education and public health.
- Supervised and mentored research activities of professional and graduate students in medicine, pharmacy, nursing, public health and related fields.

#### *Data Research Analyst (September 2004 – August 2010)*

- Planned, developed and implemented statewide projects and programs for the Kentucky Corrections Health Services Network.
- Developed product and process evaluation instruments, using mixed method approaches.
- Conducted ongoing evaluation of the impact of health information technology on professionalism and patient outcomes.
- Developed and delivered professional development courses for healthcare professionals, educators and students.
- Served as EHR liaison for the University of Kentucky Department of Family and Community Medicine, Kentucky Department of Corrections and health management vendors.
- Supported and engaged in research and scholarship.

#### *Curriculum Coordinator Senior (January 2003 – September 2004)*

- Coordinated and co-planned integration efforts for a National Institutes of Health complementary and alternative medicine (CAM) curriculum grant.
- Co-developed material to educate medical students, residents and physicians about non-allopathic treatments.
- Facilitated and co-developed curriculum integration and faculty development programs.

- Engaged in community outreach, which included explaining the goals and objectives of the project and facilitating collaborations.
- Planned and participated in executive and advisory committee meetings to advance project goals and objectives.

## **TEACHING EXPERIENCE**

### **Augusta University (2013 – present)**

Institute of Public and Preventive Health

*Assistant Professor*

Developed new required course for social and behavioral sciences concentration for master of public health. Created a correctional health concentration comprised of two core courses, which I developed, and an internship with either a juvenile, adult or jail facility.

**Courses:**

- MPHS 8300 - Social Determinants of Health and Health Disparities
- MPHS 8900 - Prevention, Rehabilitation, and System Change among Incarcerated Adults
- MPHS 9000 - Public Health Issues in Juvenile Detention Centers

**Course development:**

- PREV 8013 – Evaluating Preventive Intervention (Pending approval of doctoral program)

Office of Diversity and Inclusion

*Assistant Professor*

Designed and taught an online cross-cultural competency and health disparities course for health care professionals and students.

**Course:**

- Healthy Perspectives

### **Virginia Tech (2012 – 2013)**

Department of Population Health Sciences, Center for Public Health Practice & Research

*Guest Lecturer (2012 – present)*

Provided lectures on the social determinants of health and health disparities in the context of public and community health. Provide seminars to students and international scholars on program evaluation.

**Course:**

- PHS 5004: Fundamentals of Public Health

### **University of Kentucky (2011)**

Department of Family and Community Medicine

*Small Group Facilitator (2011)*

Led small group sessions on ethics, culture, and healthcare systems for medical students. Provided readings and case assignments to enhance and facilitate students' knowledge, attitudes and skills, as well as prepare them to become problem-solvers and lifelong learners.

**Course:**

- MD 811: Introduction to Clinical Medicine I

**LECTURES**

**Cross-cultural competence.** Focused on knowledge, attitudes and skills domain to introduce health sciences students to cross-cultural competence via didactic and experiential approaches. Defined the nature and meaning of culture and its relationship to health and health disparities.

**Health disparities. Defined** and discussed the meaning of health disparities and the impact that social determinants have on healthcare and outcomes across patient populations. Discussed the history of health disparities and the relevance for the education of students in health and medical professions.

**Medical ethics. Using** a case-based approach, discussed patient – physician relationship, communication, patient autonomy and ethical and legal decision-making of physicians. Compared health care systems (national and international models) and implications for access, right to care, and health outcomes.

**Program evaluation. Introduced** concepts and methods of program evaluation in medical education, health information technology and healthcare systems.

**MANUSCRIPTS UNDER REVIEW**

### **GRANT PROPOSALS UNDER REVIEW**

Funding agency: National Institute on Minority Health and Health Disparities  
FOA number: RFA-MD-16-003  
Mechanism: Subcontract for R01 (Emory University)  
Proposal title: Georgia Retains HIV/AIDS Diagnosed Youth (GRHADY)  
Key personnel: Gates, ML (Principal Investigator), Haburchak, D & Johnson, J  
Budget: 60,000 direct cost (5 years)  
Submission: 12-06-2016  
Status: **Scored**

Funding agency: National Library of Medicine  
FOA number: RFA-LM-17-002  
Mechanism: G08

Proposal title: Promoting Health Literacy and Improved Self-Care Management of Incarcerated Populations Using Secure Tablets  
Key personnel: Johnson, J (Principal Investigator), Kouame, G, Gates, ML, Yoo, W (all Co-Investigators) & Young, D  
Budget: 300,000 direct cost (3 years)  
Submission: 12-16-2016  
Status: **Anticipated 2017**

## PREVIOUS GRANTS

Funding agency: Institute of Public and Preventive Health  
Grant title: *Understanding Psychosocial and High Risk Sexual Behaviors among Detained Juveniles*  
Role: Principal Investigator (0% FTE)  
Budget: 25,000  
Duration: 02/02/2015 –09/30/2016

Funding agency: Health Resources and Services Administration (HRSA)  
Grant title: *Public Health Training Center*  
Role: Research Faculty (17% FTE)  
Budget: 387,500  
Duration: 01/01/2012 – 01/31/2013

Funding agency: Kentucky Department of Corrections  
Grant title: *Department of Corrections Health Care Network Monitor & Coordinator*  
Role: Principal Investigator, 2011 (100 FTE)  
Budget: 104,000,000<sup>2</sup>  
Duration: 07/01/2005 – 06/30/2012

Funding agency: National Institutes of Health  
Grant title: *Complementary and Alternative Medicine Curriculum Grant*  
Role: Curriculum Coordinator (100 FTE)  
Budget: 1,700,000  
Duration: 01/01/2003 – 09/30/2004

Funding agency: United States Department of Agriculture, National AgrAbility Project  
Grant title: *Kentucky AgrAbility*  
Role: Extension Associate (100 FTE)  
Duration: 10/01/1996 – 12/31/2002

## PROFESSIONAL MEMBERSHIPS AND COMMITTEES

- Academic Consortium on Criminal Justice Health, Executive Board Member (2016 – present)
- Statewide Continuous Quality Improvement Committee, Member (2015 – present)

---

<sup>2</sup> Health services contract primarily to provide medical services for the offender (prison) population.

- American Correctional Association, Member (2011 – present)
- Georgia Public Health Association, Member (2014 – 2016)
- Correctional Health Research Program, Member (2014 – 2016)
- American Educational Research Association – Education in the Professions Division, Member (2011 – 2013)
- Minority Health and Health Equity Advisory Committee, Member (2012 – 2013)
- New River Valley Livability Initiative Leadership Committee, Member (2012 – 2013)
- Virginia Health Workforce Development Authority, Member (2012 – 2013)
- Kentucky Department of Corrections Electronic Health Records Team, Facilitator (2005 – 2011)
- Kentucky Department of Corrections Executive Committee, Member (2010 – 2011)
- Liaison Committee on Medical Education Accreditation Committee – Junior Faculty (2010)
- Department of Family and Community Medicine, Research Committee Six-Year Review, Faculty representative (2010)
- Southern Group on Educational Affairs, Member (2004)
- Department of Family and Community Medicine, Education Committee Six-Year Review, Staff representative (2004)
- Department of Family and Community Medicine, Clinic and Administrative Committee Six-Year Review, Staff representative (2004)
- Complementary and Alternative Medicine Executive and Advisory Committees, Member (2003-2004)
