

Welcome to JagTrax!

Faculty & Advisor
The Planner

- **The Planner** allows advisors to create, view and save student academic course recommendations for future terms.
- Advisors will create an Active Plan with their advisees and keep it up-to-date. Advisees can only view plans.
- Although multiple plans may be created, only one can be designated as Active.
- **The Planner** has two parts: the **Planner Worksheet** which is a version of the original audit and the **Student Educational Planner** where planned courses are entered.

The **Calendar mode** is a more compact view of courses, term by term.

The screenshot shows a web application interface with a top navigation bar containing links for 'Back to POUNCE', 'FAQ', 'Help', 'Print', and 'Log Out'. Below the navigation bar, there are search fields for 'Student ID' and 'Name', and tabs for 'Worksheets', 'Planner', and 'Notes'. The 'Planner' tab is active, displaying a list of courses with checkboxes for selection. A blue arrow points from the 'Help' link in the navigation bar to a browser window titled 'JagTrax Planner Help for Students'. The browser window shows the URL 'https://rp26.georgiahealth.com/43/SD_HelpPlanner.html' and the following text:

JagTrax Planner Help for Students

- **Each student works with an advisor to create an Active Plan and to keep it up to date.** An advisor can also display how planned courses will meet requirements or how they might fit a **What-If** scenario on a temporary worksheet.
- **There are three modes to see plans.** While **Notes Mode** is default, you may also see planned terms in **Calendar Mode** or **Planned vs Taken** (*only evaluates completed terms*). Select mode, then **Load**.
- **To plan a schedule,** students may click on an upcoming term in their plan to see course offerings with prerequisites noted for that term's planned courses.
- **To see grades in the plan,** select **show completed coursework and load**. This shows completed courses with grades and planned courses.

The **Help** link provides Planner information to assist you through the process.
