IRB Meetings
The IRB C serves as the Cancer/ Oncology focused Institutional Review Board (IRB) for Georgia Regents University, Georgia Regents Medical Center, Children’s Hospital of Georgia, Georgia War Veterans’ Nursing Home, and the Augusta Veterans Affairs Medical Centers (Uptown and Downtown).

The IRB C Meetings are held the Third Wednesday of each month from 1-4pm.

Submission & Review Schedules
IRB C meets once per month. Each convened meeting agenda includes:
- New Study applications,
- Amendment applications, and
- Continuing Review applications.

Agendas are assigned based on date of expiration (for Continuing Review applications), expertise available on the IRB, number of attending board members, or based on the order in which completed applications are correctly submitted to the IRB.

Please note that we are unable to guarantee that your submission will be reviewed at a particular meeting.

How does the IRB Staff determine if a study is ready for FULL board review?
After the Protocol Revision and Monitoring Committee (PRMC) reviews the protocol and forwards it to the IRB Staff to complete an administrative analysis of the application, they will verify that all of the following items have been completed before they assign the study for review:
1. All pre-board revisions are completed; and
2. All applicable documents are attached; and
3. The application is fully complete and correct; and
4. Ancillary approvals (GRMC HI, IBC, ITSS, Radiation Safety, etc.) have been received or are in process.

The study will not be assigned to a meeting until these items are complete. Submitting a study does not mean that it will be assigned to a meeting.
FY14 Meeting Information and Dates
All meeting are held the Third Wednesday of each month
CN_1st Floor Conference Room, 1:00 pm to 4:00 pm
