

# Health eShop's New Look!

January 2014

Regina White, MSM, CPPB, GCPA

Health eShop Administrator

# Welcome

- Health eShop is GRU's one stop shopping network, in which end users purchase all of their contracted items. Health eShop is our required shopping tools for items such as office, lab, computer, and facilities supplies.
- This presentation will introduce users to the new look of Health eShop known as "Phoenix"
- Audience: Requesters, Shoppers, and Administrators with Health eShop Access

- The new look of Health eShop brings a more user-friendly, easy to navigate system. Some of the features you will see in the new system:
  - Easily accessible side navigation bar with slide out menus.
  - Top banner highlighting notification and action items
  - Offers quick access to your shopping cart
  - More organized menus based upon related task, making them easier to locate.
  - **THE WAY YOU SHOP WILL REMAIN THE SAME!**

When will this change take place?

**You will see the new look of  
Health eshop on**

**FEBRUARY 3, 2014**

# Current look of Health eShop:

The screenshot displays the Health eShop web application interface within a browser window. The browser's address bar shows the URL <https://solutions.sciquest.com/apps/Router/Home?tmstmp=138>. The page header includes the GRU logo (Georgia Regents University Augusta) and a user profile for Regina White with options for profile and logout. A search bar is located in the top right corner, and a navigation menu is positioned below it. The main content area is organized into several sections: a purchasing portal announcement, an action items sidebar, and three primary product categories: Office Supplies, Lab Supplies and Chemicals, and Computers and Computer Peripherals. Each category is represented by a grid of supplier logos and their respective product offerings.
