All discussions and voting were conducted through email.

1. A proposal packet in Area C General Education changes (3 new humanities courses – HUMN 2010, 2020, 2030 - were created to replace the 2 existing humanities courses - HUMN 2001 and 2002 ) was approved unanimously by all 10 primary voting members.

2. A proposal packet from the department of biology (for a new laboratory course BIOL 3700 that was created combining the 1-hour lab component of each of the three courses that were modified from existing 4-hour BIOL combined lecture/lab courses into 3-hour lecture only courses – BIOL 3200, BIOL 3400, BIOL 4700 ) was approved unanimously by all 10 primary voting members.

Respectively submitted,

Dharma Thiruvayyar
Co-Chair, USCAPC 2015.
