Senate Report

University Senate Curriculum and Academic Policies Committee

Committee charged the co-chairs and others from the committee that wanted to, to meet with Heather Metress to determine what information she needed on the curricular forms. So Dr. Lisa Leggio, James Condon and Dr. Cathy Tugmon met with Heather Metress and gathered the information she would need. Lisa and I then met with Dr. Gretchen Caughman, Dr. Roman M. Cibirka, and Dr. Carol Rychly to discuss the academic needs for the forms. Lisa and I produced a rough draft of forms that Dr. Carol Rychly and others edited and commented on. Currently forms are being finalized to be submitted to the committee for their input and approval.

Dr. Lisa Leggio, Dr. Cathy Tugmon and Dr. Carol Rychly met with SACSCOC to answer questions related to the overseeing of the process of curriculum change.

Work is beginning on a web page that will assist with the terminology and instruction that may be needed for completing curricular forms as well as where forms should be sent after the College has completed their approval.

The committee is beginning work on common terminology for concentrations or tracks as well as hour requirements for that common terminology.
