

Supply Management Code of Ethics

- *We will carry out our official duties for the benefit of our institution, and the public.*
- *We will avoid actual and apparent conflicts of interest between our official obligations and our personal interests.*
- *We will disclose conflicts of interest, both actual and apparent, and they must be properly managed.*
- *We will not accept improper gifts and favors.*
- *We will adhere to the laws, rules, regulations and policies that apply to us.*
- *We will maintain the confidentiality of all sensitive information.*
- *We will treat everyone with respect and dignity.*
- *We will be honest.*

Supply Management will uphold this code of ethics.
