* POLS 1101 and HIST 2111 or HIST 2112 are required. Additionally, PSYC 1101 and SOCI 1101 are preferred Area E courses for the nursing major. Other catalog approved courses may be taken in Area E.

** Pre-Nursing students with all "C" grades in core courses will not have the 2.80 GPA needed to apply for the BSN major.

Students who earn "C" grades in the majority of the science courses may be inadequately prepared for the nursing program and will likely struggle academically in the Upper Division coursework.

Students must have a college coursework GPA of 2.80 overall to be considered for admission into the Upper Division NURS courses (Jr. Year). Meeting the minimum GPA does not guarantee admission.

All undergraduate course grades are calculated for BSN major eligibility. All attempts of repeated courses are averaged into the calculated GPA.
