GEORGIA PRECEPTOR TAX INCENTIVE PROGRAM (PTIP)

Providing Value to our Volunteer
Community-Based Faculty

*Administered by the Georgia Statewide
AHEC Network Program Office*

What is PTIP?

Governor Nathan Deal signed into law April 15, 2014 legislation that creates tax deductions of up to \$10,000 for uncompensated community based faculty physicians who provide training to medical, osteopathic, physician assistant and nurse practitioner students matriculating at Georgia public or private educational institutions. Georgia physicians who provide clinical training to health professions students for a minimum of three (to a maximum of 10) rotations, and who are not compensated through any other source, can claim a tax deduction of \$1,000 for every 160 hours of training provided. The only rotations available to receive the deductions are:

- Family Medicine
- General Internal Medicine (inpatient and ambulatory)
- General Pediatrics
- OB/GYN
- Psychiatry
- Emergency Medicine
- General Surgery

Eligibility

- Licensed physician in GA
- Cannot receive direct compensation from any source, for teaching medical, osteopathic, NP, or PA students.
- Deduction only available for rotations supporting Georgia medical, osteopathic, NP or PA programs.
- Must complete a minimum of three rotations to be eligible; deductions are provided retroactively once eligibility is established.
- A maximum of 10 rotations may be claimed for deductions each calendar year.
