College & Universities Attended (List all schools attended since high school)

| Institution Name | City, ST, Country | Enrollment Yr/Yr | Degree |
|------------------|-------------------|------------------|--------|
| | | | |
| | | | |
| | | | |
| | | | |

Prerequisite Science Courses (A 2-part Human Anatomy & Physiology course may satisfy requirement for Comparative Vertebrate Anatomy and Human Physiology)

| Course Title | Course Prefix & No. | Institution Name | Credit Hrs. | Grade | Year |
|------------------------|---------------------|------------------|-------------|-------|------|
| Comp. Vertebrate Anat. | | | | | |
| Human Physiology | | | | | |
| Anat. & Physiology, I | | | | | |
| Anat. & Physiology, II | | | | | |

Other Courses (List recommended and/or relevant art & science courses)

| Course Title | Course Prefix & No. | Institution Name | Credit Hrs. | Grade | Year |
|---------------------|---------------------|------------------|-------------|-------|------|
| Figure/Life Drawing | | | | | |
| Computer Graphics | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

* Please calculate your cumulative Bio GPA for all biology/physiology/zoology courses taken. Use a 4.0 scale (A = 4.0, B = 3.0, etc.) to convert a letter grade to its numeric equivalent. For each course, multiply the numeric grade by the number of credit hours for the course. Add together the results for all bio/physio/zoo courses. Divide this sum by the total number of bio/physio/zoo credit hours. The result is your Bio GPA.

Personal Questionnaire (Please be brief)

1. When and how did you become interested in medical illustration as a career?

2. When and how did you learn of our program here at Augusta University?

3. What attracted you most to our program?

4. Have you met or shadowed any professional medical illustrators? Yes No
If "Yes," please tell us who you've met:

5. Briefly describe what you most expect to get out of our program.

6. When it comes to learning a new skill or piece of software, how do you learn best?

7. Have you participated in any team sports? Yes No
If yes, what sport(s)?

8. Do you play a musical instrument? Yes No
If so, what instrument(s)?

9. Briefly describe your leadership roles:

10. What questions do you have for us?

When completed, upload a copy of this form to your Box folder (See the Applicant Digital Portfolio handout for instructions on creating a Box account).
