SERVICE & FIELDWORK

Highlights of our Students and Faculty serving the local and international communities through service and service learning...

**Steps of Grace** - The goal of *Steps of Grace* is to provide children with special needs with quality dance instruction and foster a love for dance. Students participate with faculty to implement dance sessions. [http://www.stepsofgraceballet.com/](http://www.stepsofgraceballet.com/)

**Equality Clinic** – The Equality Clinic of Augusta is a LGBTQ friendly clinic providing physical and mental health services to individuals who are un- or under-insured. OT students facilitate a support & education group for members of the LGBTQ community who receive services at the clinic.
