

CURRICULUM VITAE

JANET B. TANKERSLEY, PT, DPT, PhD
Board-Certified Pediatric Clinical Specialist
Associate Professor and Assistant Dean of Clinical Practice

987 St. Sebastian Way, EC-1304
Augusta, Georgia 30912
Augusta University
College of Allied Health Sciences
Department of Physical Therapy

Office (706) 721-1497

Education:

Doctor of Philosophy in Pediatric Science: Degree conferred- August 2019
Rocky Mountain University of Health Professions, Provo, UT
Committee Chair: Jane K. Sweeney PT, PhD, FAPTA
Dissertation Title: Pain, Walking Activity, and Participation in Children with Sickle Cell Disease. A Cross-sectional Descriptive Study.

Doctor of Physical Therapy: Degree conferred- August 2005
A.T. Still University of Health Sciences, Mesa, AZ

Bachelor of Science in Physical Therapy: Degree conferred- June 1996
Medical College of Georgia, Augusta, GA

Associate of Science in Physical Therapist Assistant: Degree conferred- September 1990
Medical College of Georgia, Augusta, GA

Licensure Information:

Georgia Physical Therapy License: #00517

Centers for Medicare & Medicaid Services Health Care Provider Identifier

National Provider Number-1245441211

Certifications:

American Board of Physical Therapy Specialties:

Board-Certified Specialist in Pediatric Physical Therapy, May 19, 2008 – June 30, 2018.

Recertified July 1, 2018-June 30, 2028.

American Physical Therapy Association (APTA):

Credentialed Clinical Instructor: effective 6/13/2010. Does not expire.

American Heart Association Basic Life Support (CPR and AED) Program:
BLS Provider. Renewal 06/2021

Employment and Positions Held:

Academic Appointments:

Augusta University*: 21 years, 7 months

January 2021- present

Augusta University*

Associate Professor and Assistant Dean of Clinical Practice- College of Allied Health Sciences. Core faculty and Program Director for the developing Pediatric Physical Therapy Residency-Department of Physical Therapy.

July 2020 – present

Augusta University*

Associate Professor and Assistant Dean of Clinical Practice- College of Allied Health Sciences. Director of Clinical Education (DCE) and Program Director for the developing Pediatric Physical Therapy Residency-Department of Physical Therapy.

Addition of responsibilities as pediatric residency program director:

- Responsible for development, accreditation, and ongoing assessment of the Pediatric Physical Therapy Residency.

April 2020- June 2020

Augusta University*

Assistant Professor and Assistant Dean of Clinical Practice- College of Allied Health Sciences. Director of Clinical Education (DCE) - Department of Physical Therapy.

Addition of Assistant Dean of Clinical Practice responsibilities:

- Advise the Dean on matters related to faculty and student clinical practice, community and stakeholder engagement, building collaborative partnerships across the enterprise, and strategic planning.
- Work with department chairs to fulfil the clinical and service missions of individual programs.
- Serve as Chief Administrator for the AU CAHS Faculty Practice Plan (AUHPA) to oversee the financial, personnel, and daily operations of the Practice Plan.
- Serve as the AUHPA Chief Compliance Officer to create and ensure compliance with compliance plans.

May 2011 – March 2020

Augusta University*

Assistant Professor and Director of Clinical Education- Department of Physical Therapy

Addition of DCE responsibilities:

- Responsible for coordinating and managing the DPT clinical education curriculum through program assessment and planning, clinical educator

faculty assessment and development, obtaining and maintaining clinical partner relationships, providing reports to inform the annual accreditation report and self-study.

- Represent the DPT program within the American Physical Therapy Association through the American Council of Academic Physical Therapy, National Consortium of Clinical Educators, and the Clinical Education Special Interest Group.
- Teach all of the clinical education courses (36 credits) within the entry-level DPT program including student preparation sessions and debriefing sessions.
- Secure appropriate number of clinical slots annually for student matching and slot selection to meet programmatic requirements and individual student needs.
- In 2012, I developed and implemented a proposal to integrate ICE into the DPT curriculum through a partnership with a local FQHC which led to the creation of the department's pro bono faculty/student clinic, which I direct.
