Samantha earned her BA in Communications from Georgia Southern University in 2013. After graduation, she began working in Admissions at Georgia Military College in Augusta and eventually moved into the Student Resource Center. She went back to Georgia Southern University online to earn her Masters of Education in Higher Education Administration. In May of 2016 Samantha joined the Augusta University Career Services team with four years of progressively responsible higher education experience. She currently works with students with the majors Chemistry, Physics, Pre-engineering, Mathematics, Biology and Pre-allied health, Medical, Dental and Nursing majors not yet accepted to their programs.
