Update Contact Information for Jag Alerts
Student Instructions

Select Augusta University Students and log into your Pounce account using your Net ID and Password.

Select the Personal Information tab at the top left side of the screen.

In the Personal Information options, select Update Addresses, Telephone, and Augusta University Alert Contact Info.

To update or add addresses or phone numbers, click on the highlighted link named Current or Primary beside the address or number respectively.

Input/update the address and primary phone number for the residence in the respective boxes. Click Submit. Please remember that this is the minimum information required.

To add additional numbers click on the link beside the number listed as instructed in the previous steps. Five additional numbers may be added. Select the type of number from the drop down menu. Input information and click Submit.
