- Interact and network with renowned and expert clinicians
- Enhance the scope of patient care available in your practice
- Increase your knowledge using state-of-the-art technology

WE LOOK FORWARD TO WORKING WITH YOU IN 2018

COURSE DESCRIPTION

As one of the most respected comprehensive implant dentistry training programs, presenters include world class clinicians in implant dentistry, university faculty and private practice clinicians to present a broad spectrum of state-of-the-art implant dentistry.

THE COURSE WILL PROVIDE OVER 300 HOURS OF LECTURE, HANDS-ON CLINICAL ANATOMY LAB, AND ACTUAL HANDS-ON IMPLANT PLACEMENT. The program is presented once a month, over a 9-month period. The written portion of the AAID Associate Fellow Membership Examination will be given during the November session. The course is a **MUST FOR ALL GENERAL DENTISTS AND SPECIALISTS** who want to be proficient in implant dentistry and become an Associate Fellow Member of the AAID.

COURSE OBJECTIVES

This course will enable participants to:

- Discuss the basic sciences as they relate to implant dentistry
- Assess many implant systems and applications
- Surgically place implants and restore them in patients
- Qualify to take the AAID Associate Fellow Membership Exam

COURSE DIRECTORS

Michael E. Pruett, DMD, is an Assistant Professor of Oral Rehabilitation and Director of the General Practice Residency Program at The Dental College of Georgia at Augusta University. He received his DMD from the Medical College of Georgia School of Dentistry, then a two-year General Practice Residency at the University of Virginia. He then became the Director of Dentistry at Mount Sinai Hospital in Hartford, Connecticut. While in Hartford he also served as the Assistant Program Director of the General Practice Residency at Saint Francis Hospital and Medical Center.

Dr. Pruett has placed and restored dental implants for the last 22 years and maintains an active hospital dentistry practice within The Dental College of Georgia. He is also the director of several hands-on continuing dental education courses at Augusta University which include implant placement, sinus augmentation, and I.V. Sedation. Dr. Pruett lectures nationally and internationally on dental implants. He is a Fellow in the International College of Dentists, the Pierre Fauchard Academy, and a Diplomate in the International Congress of Oral Implantologists. He is also active in many dental organizations including ADA, Georgia Dental Association, Hinman Dental Society, American Society of Dental Anesthesiology, Academy of Osseointegration and the American Academy of Implant Dentistry. Dr. Pruett was also the 2013 recipient of the Distinguished Alumnus Award for The Dental College of Georgia at Augusta University.

Douglas P. Clepper, DMD, is in private practice in Augusta, Georgia. Dr. Clepper graduated from Mercer University and the Medical College of Georgia School of Dentistry. He has been teaching the surgical and prosthetic aspects of implant dentistry since the early 80s. Dr. Clepper has been a featured clinician at the Hinman Dental Meeting, the Chicago Dental Meeting and many other national and international meetings. Dr. Clepper authored the 740 page

textbook, **SYLLABUS OF PROSTHETICS FOR OSSEOINTEGRATED IMPLANTS.** Since 2005, Dr. Clepper has been a clinical faculty member for the General Practice Residency Program at Georgia Regents University. Dr. Clepper has done the implant dentistry section of the AGD MasterTrack Program in Georgia, Florida, Texas, and Pennsylvania. Dr. Clepper is a Fellow in the American Academy of Implant Dentistry, a Diplomate in the American Board of Implantology/Implant Dentistry and a member of the Academy of Osseointegration. Dr. Clepper is a Mastership member of the Academy of General Dentistry.

Max Cohen, DDS	Frank Recker, DDS
Shiven Gandhi, DDS	John Russo, DDS
Salah Huwais, DDS	Mr. Jimmy Stegall
Tom McDonald, DMD	Lee Whitesides, DMD
Olivia Palmer, DDS	

REGISTRATION

The registration fee is \$19,500 if registering prior to January 15, 2018; after January 15, 2018, the fee is \$20,500. The course fee includes extensive course materials, participation in hands-on live patient surgeries, and Clinical Anatomy of the Head and Neck in the Augusta University Cadaver Lab. You may make a deposit of \$5,000 before January 15 or \$6,000 if registering after January 15, with the balance due by August 30, 2018. The fee (or your deposit), less a \$300 administrative charge, is refundable if notice of cancellation is received prior to February 1, 2018. There will be no refunds after this date. Attendance is limited and spaces will be filled on a first-come, first-serve basis. Note: The registration fee also includes a 2018 AAID Membership. The registration fee does not include the \$1050 fee to take the AAID written exam.
