

# 41<sup>st</sup> Annual Marvin C. Goldstein Lecture Series

*Expanding Horizons with Adhesive Dentistry*

*April 26, 2019*

40 Years  
of Excellence  
in CE

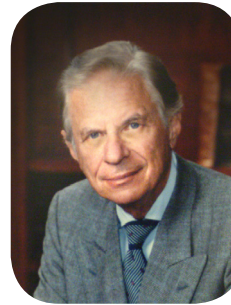

**Guest Lecturer**  
**Sillas Duarte, DDS, MS, PhD**

Presented by the Marvin C. Goldstein Family with The **Dental College of Georgia** at Augusta University and the **Division of Professional and Community Education** at the Augusta Marriott at the Convention Center, Augusta, Georgia.

AUGUSTA UNIVERSITY  
Professional and  
Community Education

## ABOUT

**Dr. Marvin C. Goldstein** was a noted Atlanta orthodontist and philanthropist who for 20 years sponsored an internationally renowned dental clinician to lecture at the Medical College of Georgia School of Dentistry. Dr. Goldstein believed the integrity of the dental profession could best be preserved by promoting clinical excellence and sharing information with colleagues. Following his death in 1997, Mrs. Rita (Goldstein) Wolfson arranged to perpetuate her husband's contributions to the dental profession through a gift to Augusta University that will continue the Annual Goldstein Lectureship. Augusta University and the dental profession continue to be served through the generosity of the Goldstein Family.

## GUEST LECTURER

**Sillas Duarte, DDS, MS, PhD**, Associate Professor and Chairman, Division of Restorative Sciences, Herman Ostrow School of Dentistry at the University of Southern California. Dr. Duarte is also Director of the Advanced Program in Operative and Adhesive Dentistry and the Director of the Master of Science degree in Biomaterials and Digital Dentistry. He is the editor-in-chief of Quintessence of Dental Technology (QDT) and serves on the editorial boards of several other journals. Dr. Duarte has lectured on and is published nationally and internationally on esthetic dentistry and adhesion. He has been involved in teaching cutting edge clinical techniques and technologies related to esthetic and adhesive dentistry. Dr. Duarte's scientific work has been supported by governmental and commercial grants, and he serves as a consultant for several manufacturers. His research focuses on adhesive bonding to dental structures, composites, and ceramics.

## COURSE DIRECTOR

**Barry D. Hammond, DMD**, Professor and Director of Dental Continuing Education at the Dental College of Georgia

# 41<sup>st</sup> Annual Marvin C. Goldstein Lecture Series

## *Expanding Horizons with Adhesive Dentistry*

April 26, 2019

### DESCRIPTION

*Novel adhesive techniques and bonded restorations are able to provide patients, clinicians, and dental technicians with treatment alternatives that until recently would require invasive approaches and sacrifice of pristine dental structure. Through microscopic interaction between biomaterials and dental structure, highly-esthetic and long-lasting clinical solutions can be attained while simultaneously preserving the integrity of enamel and dentin. The adhesive revolution has overturned established dogmas and concepts by advancing our profession with groundbreaking, ultra-conservative philosophies that are supported by the sealing and reinforcement of dental tissues. However, as newer adhesive materials and technologies are introduced at a rapid pace, it is essential that clinicians and dental technicians become familiar with their indications and limitations to provide the best restorative strategy for each individual patient. This presentation provides a systematic and scientific approach for selecting esthetic treatment modalities using adhesive techniques and CAD/CAM materials based on original research data with special emphasis on minimally-invasive adhesive techniques for materials design and selection.*

### OBJECTIVES

At the completion of the course, participants should be able to:

- Review the indications and limitations of novel resin-based restorative materials
- Discuss the importance of microscopic interaction of adhesive materials with dental tissues
- Recognize challenges related to establishing a stable adhesive interface
- Select adhesive restorative materials for different clinical situations
- Discuss advantages and limitations of current in-office CAD/CAM materials

### TARGET AUDIENCE

This program is designed for dentists and auxiliaries

### COURSE SCHEDULE

7:30 am	<b>Registration and Continental Breakfast</b>
8:00 am	<b>Welcome and Introduction of Course and Guest</b> Dr. Kevin Frazier (Vice Dean) and Dean Carol Lefebvre
8:15 am	<b>Expanding Horizons with Adhesive Dentistry -</b> Sillas Duarte, DDS, MS, PhD
9:45 am	<b>Break</b>
10:00 am	<b>Lecture Resumes</b>
12 Noon	<b>Noon Luncheon with Dr. Duarte and Presentation of The Dental College of Georgia at Augusta Alumni Association Distinguished Alumnus Award</b>
1:15 pm	<b>Lecture Resumes</b>
3:15 pm	<b>Adjourn</b>

### COMFORT ZONE

Although every effort is made to have a comfortable temperature in the meeting room, we realize everyone's comfort zone is different. Please bring a jacket or light wrap in case the room is too cool for your comfort.

### SPECIAL NEEDS

The Augusta University Division of Professional and Community Education complies with the Americans with Disabilities Act. If you require special services, facilities or dietary considerations (vegetarian or otherwise) to support your participation in this continuing education program, contact the conference coordinator at 800-221-6437 or 706-721-3967.

## Expanding Horizons with Adhesive Dentistry

April 26, 2019

### CREDIT

The Dental College of Georgia at Augusta University is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance for credit hours by boards of dentistry.

Concerns or complaints may be directed to the provider or to the ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp). The Dental College of Georgia at Augusta University designates this activity for **5.75** ADA CERP continuing education credits. 1/01/18-12/31/21.

The formal continuing education programs of this program provider are accepted by AGD for Fellowship /Mastership credit. The current term of acceptance extends from 01/01/2018-12/31/2021.

**ADA CERP**® | Continuing Education Recognition Program

### LOCATION/LODGING

The program will be held at the Augusta Marriott at the Convention Center, 2 Tenth Street, Augusta, Georgia. For reservations at the Marriott, call 706-722-8900 and identify your group as "Augusta University Goldstein Program" to receive the special rate of \$134.00. **Our block of rooms will be released after April 10, 2019.**

### REGISTRATION

The registration fee is \$245 and includes lunch.

Please register online via credit card at:  
[augusta.edu/pace/healthcare/dental/goldstein.php](http://augusta.edu/pace/healthcare/dental/goldstein.php)

For questions or registering via check  
please call 706-721-1490

The registration fee, less a \$75 administrative charge, is refundable if notice of cancellation is received by **Friday, April 5, 2019.**

*Augusta University is not responsible for any circumstance making it impossible to attend their continuing education courses due to acts of God, war, government regulations, disaster, strikes, civil disorder or curtailment of transportation facilities. If Augusta University cancels a continuing education activity you will be refunded your registration fee.*

## DENTAL HOMECOMING EVENTS

### Dental Hygiene Alumni Day

AU Alumni Center Ballroom

7:30 a.m. Registration and Continental Breakfast

7:45 a.m. Lectures

At this year's Dental Hygiene Alumni Day, Jacquelyn L. Fried, RDH, MS will present "HPV: A Cause for Concern", and Carol A. Jahn, RDH, MS will present "That's Not What I Learned in School: What Successful Practitioners do Differently".

### The Dental College of Georgia 50<sup>th</sup> Anniversary

**Friday, April 26, 2019**

**Augusta Marriott, 6:00 p.m. - 9:00 p.m.**

Dental College of Georgia 50th Anniversary Celebration

We encourage all classes to consider this a reunion year and join us in honor of the 50th Anniversary of the Dental College of Georgia.

Gather with fellow alumni, faculty, staff, students and friends to celebrate the 50th Anniversary of The Dental College of Georgia. Enjoy cocktail hour from 6:00 - 7:00, with a seated dinner to follow in the ballroom. We will celebrate Distinguished Alums, Outstanding Young Alums, Jag20 recipients, Emeritus Faculty, and the first graduating class of 1973.

**Cost: \$50 per person or \$500 for a table of 10**

**Dress: Business Attire**

**All classes are invited to celebrate 50 Years of Building Smiles this year!**

*For more details please visit [augusta.edu/dcg/50](http://augusta.edu/dcg/50)*

## SAVE THE DATE FOR UPCOMING CDE

### Clinical Advances in a Restorative Practice

May 25-27 ~ Omni Hilton Oceanfront, Hilton Head Island, SC

### Symposium on General Dentistry

June 30 - July 6 ~ K and P Resort, St. Simons Island

### Dental Hygiene Symposium

July 19-21 ~ Savannah Marriott, Savannah, GA

### New Therapies and Current Controversies in Dentistry

July 19-21 ~ Kiawah Island Resort, SC

### Lasers for Hard and Soft Tissues: Hands-on Workshop

August 9-10 ~ Augusta University, DCG

### Cone Beam Computer Tomography

September 27 ~ Snelling Center, Augusta, Georgia

### Pediatric Dentistry at the Beach

October 4-6 ~ Omni Hilton Oceanfront, Hilton Head Island, SC

### Update for the Dental Practitioner

October 11-13 ~ Brasstown Valley Resort, Young Harris, GA

### Last Chance CDE

December 5-6 ~ Augusta University, Education Commons
