## PURPOSE

This year's meeting is being hosted by The Dental College of Georgia at Augusta University and the Georgia Board of Dentistry. This year marks the 64th anniversary of our organization. The Southern Conference of Dental Deans and Examiners was founded to provide a forum for discussion concerning important issues and problems shared by the Deans of Dental Schools who provided the education of dental students in the South with the State Boards of Dentistry from those states who regulate the profession of Dentistry and license those dentists, who then provide dental care for our citizens.

## LOCATION

Lecture sessions will be held at the Augusta Marriott at the Convention Center located on the beautiful Savannah River.
