Georgia Sea Turtle Center

Lori Lopel • llopel@jekyllisland.com • 912-635-4076

The Georgia Sea Turtle Center (GSTC) is a rehabilitation, research, and educational facility for sea turtles and other coastal wildlife. Featuring a host of interactive exhibits, programs, and experiences, the GSTC offers multiple activities for your group's attendees.

GROUP TOURS

Learn more about the lives of sea turtles. Led by one of our expert education staff, you'll explore the Center's gallery, observe the veterinary staff in action, and meet the patients while learning about their care in the hospital. Tour lasts approximately one hour, though groups are welcome to explore the Center longer, schedule permitting.

Jekyll Island Historic Tours

Kaylee Johnson • kjohnson@jekyllisland.com • 912-635-4168

From the early Native Americans, to guests from around the world, to America's elite, the story of Jekyll Island has captivated the imaginations of explorers for generations. Join us for a tour and learn about the extensive history of this little island.

GROUP TOURS

Take a trip back in time to the Gilded Era and enjoy Jekyll Island's rich history layered with luxury, opulence, nature, and balance. Jekyll Island, described as "the most exclusive social club that ever existed," was the winter retreat for the likes of Morgans and Rockefellers. Since the state of Georgia purchased the island in 1947, this area has now become one of the largest on-going historical preservation projects in the southeast. Tour lasts approximately two hours and visits three properties via an open-air trolley.
