

CONTINUE THE LEGACY. DEFINE YOUR FUTURE.

CLASS OF 2026 FACT SHEET

As one of the nation's first medical schools, the Medical College of Georgia at Augusta University has a long legacy of training outstanding physicians. One in five Georgia physicians have either attended MCG, or completed their residency at MCG/AU Health. The 264 students admitted into the 2022 entering classes are the latest individuals to join the MCG family. These exceptional students were selected based on a host of criteria including, but not limited to academic metrics, intellectual curiosity, health care experience, leadership and service to others. The talented individuals that comprise the Class of 2026 are as diverse as the population they will one day serve and are reflective of MCG's core values of collegiality, compassion, excellence, inclusivity, integrity and leadership.

2022 Entering Class

Total Applications	3,563
Accepted Students	264
Male	124
Female	140
Non-Georgia Residents	12

Academically Outstanding

Average GPA Overall	3.8
Average GPA Science	3.7
Average MCAT	513

Committed to Diversity

40 Underrepresented Students in Medicine
As Georgia's only public medical school we are committed to recruiting a class as diverse as the state we serve.
