The Medical College of Georgia's First Look Tours offer a unique opportunity to experience Georgia's only public medical school firsthand! At First Look, you will learn more about the admissions process from MCG Office of Admissions staff, interact with current medical students, and tour Augusta's state-of-the-art training facility, J. Harold Harrison, M.D. Education Commons Building.

Space is limited, and registration is required. To reserve a seat, scan the QR code above or visit <http://tinyurl.com/FirstLookTours>.
