

Desiree Seeyave, MD  
Associate Professor

**Appointment Date: 2017**

Dr. Seeyave grew up in Trinidad & Tobago. She graduated from medical school at the University of the West Indies, St. Augustine, Trinidad & Tobago in 1999. She worked in Trinidad until moving to the US in 2003 where she did pediatric residency at SUNY Downstate in Brooklyn, NY. She then completed fellowship in Pediatric Emergency Medicine at the University of Michigan in Ann Arbor, MI in 2009. She also completed the Medical Education Scholars Program at the University of Michigan. She was the assistant PEM fellowship director at the University of Michigan and worked in the Pediatric ED at Hurley Hospital in Flint, MI from 2009 to 2013. She moved to Washington DC in 2013 and worked at Children's National Medical Center. She was the Principal Investigator for an NIH-funded study looking at rectal biomarkers in pediatric patients with acute appendicitis. She moved to Augusta University in February 2017.

**Specialty Focus:** Medical Education, Simulation, Acute Appendicitis and obesity in Children.
