

Augusta University
House Staff Notice of Appointment

House Staff Name:
PGY Level:
Employee ID:
Department:
Program:

The House Staff (which includes NST trainees) accepts appointment with the Medical College of Georgia (MCG) at Augusta University under the following terms and conditions:

1. Duration of appointment: Start Date _____ End Date _____
2. Compensation: At the rate of _____ per month.
3. Resources: Call/rest rooms will be available for House Staff at Wellstar MCG Health Hospitals and Clinics. House Staff will be provided with a meal or meal allowance for use at the hospital facilities. For House Staff with salary and benefits provided by the Department of War, meal allowances cannot be provided by MCG. Uniforms are not provided. Laundry services are arranged by each department. The arrangements at other facilities/participating sites may vary.
4. Time Off: See the GME House Staff Leave policy-<https://www.augusta.edu/mcg/residents/hspolicies/>. Leaves of absence including but not limited to medical/caregiver/parental leave may affect the ability of House Staff to satisfy program requirements or delay program completion. Programs will communicate this to House Staff including board eligibility status and individual specific requirements and guidance.
5. Professional Liability: Coverage is provided by Augusta University for activities within the scope of the training program. Coverage is contingent upon the terms of those policies and upon the House Staff's cooperation and assistance in reporting, investigating, and defending any claim or potential claim. Professional Liability Insurance will continue to cover House Staff for occurrences during employment at Augusta University even after termination/graduation (i.e., "tail coverage").
6. Criminal Background Check and Drug Testing: This contract is contingent upon consenting to a criminal background check through the Augusta University's Division of Human Resources and upon Augusta University's approval of the results of that background check. Pre-employment drug testing will be completed typically during House Staff orientation. Positive testing will result in the Senior Associate Dean of GME and DIO rescinding the training offer.
7. Licensure: This contract is contingent on being able to practice medicine in Georgia. To do so, House Staff must have either a valid residency training permit or an unrestricted license to practice medicine issued by the Georgia Composite Medical Board. Programs may require House Staff to obtain a regular license. NOTE: House Staff cannot moonlight or practice medicine outside of their GME Training program without a full, regular license from the applicable state Medical Board. H1B visa holders are not allowed to moonlight under any circumstance.
8. Policies and Procedures: This appointment is made subject to the policies, procedures, and regulations of Augusta University and the University System of Georgia, which are hereby incorporated into this contract by reference. The House Staff agrees to perform satisfactorily and to the best of their ability the customary services of residency/fellowship; to conform to applicable policies, procedures, and regulations; and not to engage in any outside remunerative work without the express permission of the GME Program Director. Should the House Staff obtain permission for activities/work outside the scope of the training program, licensure, and professional liability insurance for said activities/work is the personal responsibility of the House Staff. House Staff also agree to abide by the policies at any institution where they may perform services, including Wellstar MCG Health, the VA Medical Center, and others, as applicable. House Staff are required to comply with all GME policies including Policy HS10.0 (House Staff Learning and Work Environment) and must complete clinical and educational work hours reporting at least weekly. House Staff are required to complete medical records at all participating institutions in a timely manner as outlined in applicable policies; noncompliance may serve as grounds for loss of Hospital/other participating site privileges and a permanent record in the House Staff's file as well as other potential Program disciplinary actions such as probation, suspension, non-renewal, or dismissal. Each GME Program will have their own set of Program-specific policies that House Staff must abide by to include reappointment and promotion policies which will identify Program specific House Staff essential functions. House Staff not meeting promotion and essential function requirements will be subject to disciplinary action by the Program to include remediation, probation, suspension, non-renewal, and/or dismissal. In general, House Staff responsibilities and associated conditions for reappointment and promotion include providing patient care across a variety of clinical settings, providing safe and quality care, developing skills to progress through the ACGME specialty-specific Milestones, and developing competency in the 6 ACGME defined core competency areas as well as scholarly productivity. **Designated osteopathic residents in programs with osteopathic recognition must develop and demonstrate progressive knowledge, skills, and behaviors in applying osteopathic principles to include osteopathic manipulative treatment to patient care.**
9. Standard of Conduct: As a leader of the healthcare team, each House Staff is expected to maintain the highest level of professional and courteous conduct when interacting with patients, families, faculty, other House Staff, staff, and visitors. The action, inaction, or other conduct of any House Staff that is unprofessional, discourteous, disruptive, illegal, or that adversely affects the patient care environment may result in disciplinary action up to and including dismissal from the GME training program.

The MCG GME House Staff Policies and Augusta University Policies govern many conditions of House Staff employment including but not limited to leave (to include all types such as parental, sick/medical, caregiver, annual, and education); licensure; supervision; clinical and educational work hours; moonlighting; chemical/substance abuse; impairment and fitness for participation; off-site rotations; effect of leave for satisfying completion of programs; House Staff eligibility, selection, and promotion; procedures for discipline, due process, and redress of grievances; and procedures whereby complaints of sexual harassment and exploitation may be addressed in a manner consistent with the law. The House Staff policies can be accessed at <http://www.augusta.edu/mcg/residents/hspolicies>. Specific information related to eligibility for specialty board exams will be provided by Programs. The Augusta University FMLA policy may be found at www.augusta.edu/hr/benefits/university_benefits/fmla. The benefit plan summary, health and disability insurance (including coverage for House Staff and eligible dependents), and professional liability insurance may also be viewed online at <https://www.augusta.edu/mcg/residents/housestaffresources>. House Staff have access to the Employee-Faculty Assistance Program for mental health and counseling services at <https://www.augusta.edu/hr/employee-relations/efap.php>.

I acknowledge that I have been informed of this information.
