1.0 Purpose

The Accreditation Council for Graduate Medical Education (ACGME) requires the Sponsoring Institution (i.e., the Medical College of Georgia/MCG) to have a policy that provides House Staff with due process relating to the following actions regardless of when the action is taken during the appointment period: suspension, non-renewal, non-promotion, or dismissal. Graduate Medical Education (GME) at MCG does not utilize suspension as a form of disciplinary action for House Staff. The below policy outlines the procedure allowing for House Staff due process when a GME program is considering:

- Probation
- Non-renewal
- Non-promotion
- Dismissal

2.0 Procedure

The Following policy applies to all House Staff in GME training and will be followed by each Program evaluating House Staff for promotion or for disciplinary actions at the level of probation or higher.

2.1 Each ACGME accredited Program shall have a Clinical Competency Committee (CCC) as defined by ACGME specialty-specific requirements. Non-ACGME accredited GME programs should develop a similar committee. The CCC shall have the following functions:

- To certify that House Staff have met the academic criteria for promotion;
- To periodically review the performance and academic progress of House Staff;
- To recommend feedback, remedial action, and/or counseling as needed to correct deficiencies;
- To recommend non-renewal for House Staff who have failed to make adequate progress even though adequate feedback, documented remedial or probation action, and/or counseling have been provided;
- To recommend disciplinary action of a House Staff who has violated ethical norms, any applicable law or policy, or otherwise failed to meet the criteria for continued training.

2.2 The CCC shall make recommendations on promotion, remediation, probation, non-renewal, and dismissal to the Program Director. If the Program Director accepts the CCC recommendations, they will work with the Department Chair to enforce such actions, which must include following due process pursuant to this policy. The recommendation must be in writing and a copy on file with the GME if disciplinary action is at the level of probation or higher. Programs must follow all GME policies including HS18.0.

2.2.1 Recommendations of non-renewal must be made at least four months before the end of the current contract period, unless primary reason(s) for the non-renewal occur(s) within the four months prior to the end of the contract or a substantial egregious event where to occur. Regardless due process will be allowed pursuant to this policy. The House Staff must be notified. See HS3.0.

2.2.2 Prior to making a recommendation, the CCC may request the House Staff in question to appear before the CCC to answer questions and provide additional information. Moreover, after receiving disciplinary action notification, the House Staff may ask to meet with the CCC.

- 2.3 The Program Director shall make decisions considering the CCC recommendations.
- 2.3.1 If the Program Director considers a decision of probation, non-renewal, or dismissal, the Program Director must request a meeting of the GMEC Due Process Subcommittee to hear the Program's concerns and potential planned actions. A meeting will be scheduled within 10 days of the request and recommendations with guidance provided to the Program based on the Subcommittee's review. Per ACGME requirements, the Program Director has ultimate authority to determine the disciplinary action, but they must allow due process pursuant to this policy.
- 2.3.2 The Program Director's final decision after GMEC Due Process Subcommittee review will be in writing.
- 2.3.3 The final decision must be personally delivered to the House Staff.
- 2.3.4 Copies must be sent to the CCC and the GME Office.
- 2.3.5 The written notice must inform the House Staff of right to request a grievance hearing by a separate *ad hoc* committee (AHC) in cases of serious disciplinary action of probation or higher.
- 2.4 The House Staff shall have ten days to file a request for AHC grievance hearing.
- 2.4.1 The request for hearing shall be in writing to the GME Office;
- 2.4.2 The request shall state the reason(s) for request with a complete description of the basis for the grievance.
- 2.5 The Senior Associate Dean of GME and DIO or Associate Dean for GME shall appoint an AHC within five days of receipt of request for grievance hearing.
- Note: All times are advisory and may be extended for reasonable cause.
- 2.6 The AHC will be composed of three individuals: one Faculty, one House Staff, and one GME Program Coordinator are each required.
- Note: No member of the three person AHC shall have previously been substantially involved in any other decision or action directly involving the House Staff. Where possible, the committee shall not consist of members of the House Staff's Department or training Program.
- 2.6.1 Parties, to include the Program and House Staff, may request removal of a member of the three person AHC for cause.
- 2.6.2 House Staff have the right to a single non-participating advocate (not an attorney). The House Staff and their advocate may confer during the grievance hearing but the advocate is not permitted to speak on the House Staff's behalf during the grievance hearing.
- 2.6.3 The Program Director may designate a person of their choice to represent the Program including their self.
- 2.6.4 AHC shall conduct a grievance hearing within ten days of appointment.
- 2.6.5 All documents to be presented at the grievance hearing shall be submitted to the GME Office no later than four business days prior to the designed grievance hearing.
- 2.6.6 The AHC will have the opportunity to review these documents and additional documentation may be requested by the AHC prior to the designed grievance hearing.
