1.0 Purpose

The Georgia Regents University shall maintain a Graduate Medical Education Committee (GMEC) to develop Institutional policies relating to the Graduate Medical Education Program and monitor ACGME compliance of Residency Programs and adequacy of Institutional support.

2.0 Procedure

- 2.1 The Graduate Medical Education Committee will advise and monitor any changes in the policies and procedures of the GME Program.
- 2.2 The GMEC will establish policies and procedures related to supervision, selection, evaluation, promotion, dismissal, duty hours, and moonlighting of House Officers
- 2.3 The GMEC will establish and maintain appropriate oversight of and liaison with Program Directors and assure that Program Directors establish and maintain proper oversight of and liaison with appropriate personnel of other Institutions participating in the ACGME Accredited Program.
- 2.4 The GMEC will establish policies and procedures for dealing with grievances brought forward by House Officers relevant to the conduct of their Graduate Medical Education Programs. The GMEC will ensure that such policies and procedures satisfy the requirements of fair procedures. The GMEC will also ensure that such policies and procedures are applied equally to all House Officers.
- 2.5 The GMEC will review and approve the annual proposal for salary ranges and benefits for all House Officers.
- 2.6 The GMEC will review and monitor working conditions, House Officer supervision, duty hours for House Officers, and ancillary support, and House Officer participation in department scholarly activity as set forth in the Institutional, Common and applicable specialty Program Requirements.
- 2.7 The GMEC will review and approve any proposal to substantially alter the working conditions for House Officers including benefits before they are enacted.
- 2.8 The GMEC will review the provision of educational experiences for House Officers concerning ethical, socioeconomic, medical/legal and cost-containment issues in medical practice, communication skills, HIV and blood-borne pathogens, research design, statistics, critical review of literature and identification and treatment of substance abuse and physician impairment.
- 2.9 The GMEC will coordinate and conduct accreditation cycle mid point reviews of all Residency Programs to ensure compliance with Institutional (medical school and hospital) policies, ACGME Institutional, Common and relevant specialty RRC Program requirements.
- 2.10 The GMEC will regularly review Institutional, Program specific accreditation letters, internal review citations and monitor action plans for correction of concerns and areas of non-compliance.
- 2.11 The GMEC will assure that each Program provides a curriculum and an evaluation system to ensure that all House Officers demonstrate achievement of the six general competencies:
 - Patient care
 - Medical knowledge

The term House Officer is use as a generic term to include interns, residents and fellows in an approved ACGME Residency Training Program at Georgia Regents University.

2.15 Attendance/Responsibilities:

Faculty members and House Officers are expected to attend GMEC meetings as assigned. At least 50% of members will attend each GMEC Meeting. Excused absences are counted in the attendance record for this standard; a member should send a replacement if unable to attend. Clinical Department Chairs/Service Chiefs assure that faculty and House Officers are free from departmental duties to fully participate in GMEC activities.

2.16 Organization/Meeting Times:

A GMEC Retreat is conducted in the spring of each year for all members of the GME community to include GMEC members and all Program Coordinators to orient and educate members of the GMEC and GME community on issues pertinent to the educational requirements of the ACGME. The GMEC meets on the third Monday in August, October, December, February, April, and June of each academic year. Minutes and handouts are distributed in electronic format to all voting and non-voting members of the GMEC and to the Department Chairpersons.

2.17 Reports

The Senior Associate Dean for Graduate Medical Education and VA Affairs provides an annual written and verbal report on all activities of GME to the Dean and the Executive Committee of the Medical College of Georgia, the Organized Medical Staff, and the governing bodies of the major participating Institutions. The minutes of the GMEC are presented to the Executive Committee of the Organized Medical staff of Georgia Regents University six times per year. An annual report of the GME Program is also presented to the Faculty Senate of the Medical College of Georgia.
