1.0 Purpose

To outline the institutional policy regarding the promotion of House Officers in training to the next highest level of Training leading to completion of training.

2.0 Procedure

The following procedures will be followed by all Residency or Fellowship Training Programs with appropriate program-specific policies addressing individual program requirements.

2.1 Promotions to successively higher levels within a Residency or Fellowship program shall be based on faculty recommendation of the Clinical Competence Committee and a final decision made by the Program Director. A promotion will be based on satisfactory completion of the outlined curriculum and mastery of clinical materials appropriate to the House Officers level of training. The House Officers progress will have been documented by regular evaluations. Any decisions not to advance a House Officer or to not reappoint a House Officer to the Program will be reviewed by the DIO.
