1.0 Purpose

To define the procedures to govern situations where House Officers leave Augusta University premises for clinical educational experiences and for non – Augusta University House Officer physicians who come to Augusta University for educational purposes.

2.0 Procedure

This policy does not apply to medical students applying for elective rotations at Augusta University. All questions regarding medical student rotation should be referred to the Office of the Associate Dean for Curriculum. 1-3218.

2.1 For Augusta University Graduate Medical Education House Officers performing off-site rotations:

2.1.1 Clinical educational experiences which last for thirty days or less and are not to be repeated:

2.1.2 A Letter of Agreement is required. Process must be started at least 30 days prior to the start of the clinical educational experience. The Graduate Medical Education Office must have a copy of each clinical rotation on file.

2.1.3 The Letter of Agreement is initiated by the Department Chairperson or Program Director of the House Officers program, forwarded to the Senior Associate Dean for Graduate Medical Education and VA Affairs and Dean of the Medical College of Georgia for signatures (Attachment A is an example letter of agreement which should be used as a guideline). The GME Office will obtain required signatures and return original to the department.

2.1.4 If verification of adequate malpractice insurance coverage for the House Officer is required by the off-site facility, arrangements should be made through the legal office (1-4018).

2.1.5 A House Officer who desires to perform an in-state/out-of-State rotation is responsible for determining whether or not he/she must obtain a medical license in the state where the rotation is to be performed. If a license is required, the House Officer is responsible for obtaining the license BEFORE performing the rotation.

2.1.6 J-1 Visa holders must contact the Graduate Medical Education Office before the rotation starts to ensure ECFGM is notified of the clinical rotation.

2.1.7 House Officers in H-1B status may not work for other employers or in positions other than those described in the Augusta University H-1B petition without applying for additional H-1B sponsorship.

2.1.8 International clinical rotations require the signature of the Dean, Medical College of Georgia on a travel request in addition to other guidelines stated above.

The term House Officer is used as a generic term to include interns, residents and fellows in an approved ACGME Residency Training Program at

Augusta University

- 2.2 Clinical Educational Experiences which last for more than thirty days or last for thirty days or less but will be repeated throughout the year or annually:
- 2.2.1 A Master Affiliation Agreement is required between Augusta University and the other Institution and a copy on file in the Graduate Medical Education Office.
 - 2.2.2 The Master Affiliation Agreement should be routed through Augusta University's contract routing process for review and signature by the President. For information on the Master Affiliation Agreement form and information regarding this process, contact the Legal Office at extension 1-4018. Please note: *This process requires four to eight weeks for completion.*
 - 2.2.3 A House Officer who desires to perform an in-state/out-of-state rotation is responsible for determining whether or not he/she must obtain a medical license in the state where the rotation is to be performed. If license is required, the House Officer is responsible for obtaining the license BEFORE performing the rotation.
 - 2.2.4 International clinical rotations require the signature of the Dean, Medical College of Georgia on a travel request in addition to other guidelines stated above.
 - 2.2.5 J-1 Visa holders must contact the Graduate Medical Education Office before the rotation starts, to ensure ECFMG is notified of the clinical rotation.
 - 2.2.6 House Officers in H-1B status may not work for other employers or in positions other than those described in the Augusta University H-1B petition without applying for additional H-1B sponsorship.
- 2.3 For Non Augusta University Graduate Medical Education house Offices performing rotations at Augusta University:
- 2.3.1 Clinical educational experiences which last for thirty days or less and are not to be repeated
 - 2.3.2 Non Augusta University House Officers will be allowed to participate in clinical educational experiences (rotations) at AU Health Systems. Rotations will be limited to a period of 30 days unless justification is submitted for special circumstances, any clinical educational experience that is to be repeated by another non-Augusta University House Officer from the same sending institution will require a Program Letter of Agreement and verification of professional liability coverage. A copy of the Program Letter of Agreement and additional required paperwork must be on file in the Graduate Medical Education Office prior to start of clinical rotation. (Attachment B is an example Program Letter of Agreement which should be used as a guideline).
 - 2.3.3 A Program Letter of Agreement between Program Training Director at the sending institution and Program Training Director at Augusta University is the initial step in the approval process. The process is completed with approved signatures from the Senior Associate Dean for Graduate Medical Education and VA Affairs, Chief Medical Office of AU Health Systems, Director of Risk Management and Program Training Directors from the sending and receiving institutions (Attachment B is an example letter of agreement which can be used as a guideline from the other facility).
