**PROCESS & PROCEDURES**

**Holiday Designations**
The twelve (12) paid scheduled holidays are generally observed on New Year’s Day, Dr. Martin Luther King, Jr.’s Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Friday after Thanksgiving, Christmas Eve and Christmas Day and three additional days scheduled around winter break, with these three days being determined annually by the President. Generally, scheduled holidays occurring on Saturday will be observed on the preceding Friday and those holidays occurring on Sunday will be observed on the following Monday.

Employees of Georgia Correctional Health Care (GCHC) and East Central Regional (ECRH) will follow the holiday schedule provided by the state agency with who Augusta University contracts.

**Substitute Holidays**
If an employee is **required** to work on one of the twelve (12) paid scheduled holidays, the employee’s supervisor will arrange, as a part of the regular work week, a substitute paid holiday within 60 days after the actual holiday. A substitute paid holiday will also be scheduled if an official holiday occurs on an employee’s scheduled day off. If an employee is on-call, a substitute holiday will only be scheduled if the employee is actually called back to work, and then the substitute holiday may be prorated based on the duration of the call back.

**Regular Part-time Benefits Eligible Employee**
Payment for holiday hours to regular part-time benefits eligible employees will be in an amount equivalent to the employee’s work commitment. Regular part-time benefits eligible employees will be granted substitute holidays in accordance with the policy above.

**Holiday Reporting**
The holiday hours should be reported under the applicable date in the time and attendance system (currently OneUSG. If an eligible employee is sick the day before and/or after a scheduled holiday and being reported as Leave of Absence without Pay (LWOP) because they have no sick leave accrued, the day may be reported as a holiday. In instances of this type, the supervisor should attach a verification note to the time sheet. The above policy does not apply to employees on LWOP.

**NOTE:** The number of holiday hours to record for regular part-time benefits eligible employees is the work commitment multiplied by eight (8) hours. If this time is not equal to the employee’s scheduled workday, the remaining hours should be reported as annual leave
or leave without pay.

**Termination**
A terminating employee shall not receive compensation for any paid scheduled holiday that occurs after the last working day of employment.
