

AUGUSTA UNIVERSITY

## Center for Undergraduate Research and Scholarship

To help support students involved in research and creative scholarship, there are several funding opportunities to support your efforts along with travel support to conferences and academic endeavors.

### [CURS Spring/Fall Student Travel Grant](#)

Undergraduate students who are conducting or presenting faculty mentored research may apply for travel support. *Application/proposal acceptance periods: \*Fall- August 1-31<sup>st</sup>  
\*Spring - January 1-31<sup>st</sup>*

---

### [Student Translational Research Program](#) *Deadline to apply: September 30*

Funded by the AU Provost office to encourage research, scholarship, and creative activities by students. 20 vouchers up to \$1000 each for meritorious activities. All disciplines are encouraged to apply!

---

### [Student Government Association \(SGA\)](#)

Open to various requests including travel and research expenses.

---

### [Pamplin Student Research Travel Grant](#) (Pamplin Students only)

Supports faculty mentored student research. Fall and Spring semester awards.

---

### [College of Science and Mathematics Student Research Travel Grant](#) (PSRT)

Faculty or Students (under faculty guidance) may apply for funding to support research and scholarly activities that are specifically marked for student expenses. Three funding cycles: fall, spring, and summer.
