Be a Part of the Legacy.
Georgia Regents University
Georgia’s only Dental School

BS/DMD program
Take the fast track and gain provisional acceptance into Georgia’s only Dental School before you finish high school. Complete both your Bachelor of Science (BS) with a Major in Cell and Molecular Biology degree and your Doctor of Dental Medicine (DMD) in only seven years!

In the BS DMD program at GRU, you will:
• spend three years on our Summerville Campus in pursuit of your Bachelor of Science with a Major in Cell and Molecular Biology degree
• by meeting academic performance requirements be guaranteed acceptance to GRU’s College of Dental Medicine
• complete your Doctor of Dental Medicine degree in four years on our Health Sciences Campus
• take courses in a special curriculum with other students in the BS DMD program
• receive special opportunities for shadowing, volunteering, service and research

admission process
If accepted to GRU, you must complete the Program Application Form as well as submit one letter of recommendation. Minimum requirements for admission to the program:
• High School GPA of 3.7
• SAT score of 1350 (Math + Verbal) or ACT composite score of 30

Candidates are selected based on academic qualifications.
