Dates to Remember: July 4th — Independence Day

Thank you to our CNA’s

Last month, we celebrated our CNA’s and all that they do for this facility, the residents, and their families. Please join us in saying Thank You to all of our CNA’s!
Thank you for continuing to trust Georgia War with your loved one’s healthcare needs. Our goal is to continue protecting our residents and staff from the spread of COVID-19 as we follow all applicable guidelines from the CDC and GDPH. Visitation hours, leave requests, and day passes adjusted back to normal operations Tuesday, February 1st and will continue unless circumstances require limitations due to a high risk of COVID-19 transmission. As we adjust back to normal operations, please keep in mind the following requirements:

- Visitation hours will be from 9am-8pm
- Visitation will occur in the common areas of each floor and in resident rooms. Visitors should continue to remain socially distant from other residents, visitors, and staff.
- All visitors and residents must comply with face mask usage at all times.
- All visitors will be screened prior to entering the building. All visitors who exhibit signs/symptoms of COVID-19 or anyone that does not pass the screening, will not be permitted entry for visitation. Please avoid visiting if exhibiting signs and symptoms of any illness. Any visitor with a pending COVID test or currently under home isolation orders for COVID-19 per the health department will not be permitted to visit with a resident.
- Individuals who have had close contact with someone with COVID-19 within the previous 14 days will not be allowed to visit, regardless of vaccination status. If a visitor, within 14 days of their visit, discovers that they have tested positive for COVID-19 or were exposed to COVID-19, please contact Administration as soon as possible so that we may begin contact tracing. This is extremely important to make sure we keep all of our residents as safe as possible.

Day passes and overnight leave will be granted upon request as outlined below.

**LEAVE POLICY:** Planned overnight absences from Georgia War Veterans Nursing Home (GWVNH) may be granted after approval by the medical staff (12 per calendar year). Required medications will be provided for overnight absences which should be requested seven (7) full days before the date of departure. Only those medications deemed necessary by the physician will be provided. Therapeutic leave may be canceled if the resident’s medical condition prevents them from leaving the facility or if there is an outbreak in the facility.

**DAY PASS POLICY:** Day passes may be taken by residents wishing to leave the facility for the day, but who do not plan to spend the night away from the facility. Residents on day pass must return to the nursing unit by 9:00 PM. Residents on a Day Pass must sign out in the log at the nursing station on their unit at the time of departure and sign in immediately upon return.

We strongly believe that vaccination is an essential and effective way to reduce the spread of COVID-19 and encourage all visitors to get vaccinated. Please let us know if you have any questions or concerns as we move forward with expanded visitation and leave requests.

June 2022 Hidden Name Contest Winners
Greetings and salutations!

This month on the 4th of July we will celebrate the federal holiday known as Independence Day. It is from 1776—the day our nation declared its independence from the British Empire. I encourage you to take some time and read over The Declaration of Independence as we celebrate our independence and freedom to continue to work to form a more perfect union with liberty and justice for all.

I believe one person can make a difference. Thank you so much for all you do to make this world a better place! I would like each of you to take a little time to celebrate yourself starting this month! Celebrate that God has kept you. Celebrate that you've made it over halfway through the year.

Sometimes, we tell ourselves that we don't matter or that no one cares. Let me remind you that there are going to be days when you feel like you're on top of the world. There will also be days when it feels like the world is on top of you! One scripture verse that kept me going during those times of my life is found in Psalms 118:24 (ESV): “This is the day that the LORD has made; let us rejoice and be glad in it.”

Part of our independence is being open and honest with our feelings and where we are. I ran across the following quote, and I pray it will bless you as it did me.

"Dear Self. You don't have to be okay today. You don't have to hold yourself together today. You're allowed to fall apart. I know society teaches us to toughen up and be strong. But you're allowed to be soft. You're allowed to not know what to do next. You're allowed to be in pieces as you find your peace again. Your vulnerability is not a weakness. It is permission to be with yourself. It is permission to be yourself. You're not a robot. You're a human. Feel. Heal. Breathe. Love, Self."

— Alex Elle, Writer & Teacher

As we celebrate our independence, may we continue to depend upon God to get us where we need to be in this life.

Sincerely,

Chaplain Timothy E. Lark
The tide recedes but leaves behind bright seashells on the sand. The sun goes down, but gentle warmth still lingers on the land. The music stops, and yet it echoes on in sweet refrains..... For every joy that passes, something beautiful remains.
