

29TH ANNUAL GRADUATE RESEARCH DAY

MARCH 22, 2013

KEYNOTE ADDRESS

Shu Chien, M.D., Ph.D.

*University Professor of Bioengineering & Medicine
Director of Institute of Engineering in Medicine
Jacobs School of Engineering
University of California, San Diego*

“Career Development: A Case History and General Thoughts”

Shu Chien is a world leader in molecular, cellular, and integrative studies on bioengineering and physiology in health and disease. He has served as President of 6 scientific societies, including the American Physiological Society and the Federation of American Societies for Experimental Biology (FASEB). Dr. Chien is member of all four US National Academies (Science, Engineering, Medicine, and Arts and Sciences). He also is a member of the Academia Sinica in Taiwan and the Chinese Academy of Sciences in Beijing (Foreign Member). He has received numerous awards and honors, including the Landis Award, the Poiseuille Medal, and the Founders Award of National Academy of Engineering. In 2009, he received the Presidential Prize in Life Sciences in Taiwan, and in 2011 he received from President Obama the National Medal of Science, the highest honor for scientists and engineers in the USA.

EVENT SCHEDULE

Thursday, March 21, 2013

1:00 pm – 4:00 pm

Postdoctoral Fellow

Oral Presentations

CA 2109

Friday, March 22, 2013

10:00 am – 12:00 pm

Poster Session – Wellness Center

12:30 pm – 2:00 pm

Keynote Address & Lunch, CL 1103
