You don't need an ID card to receive services

1. Go to **www.deltadentalins.com**
2. Log in to Online Services with your username and password. (If you don't already have a username or password, click the "Register Today" link to complete the quick registration process.)
3. Once you've logged in, click the "Eligibility & Benefits" tab.
4. Select "Print ID Card" on the left-hand side of the page. (If you do not see this option, in some instances you may also need to click on the "Eligibility & Benefits" link on the left-hand side of the page before you have the option to select "Print an ID Card.")
5. Click "Print."
