Your home page now includes the Content items selected.

To change the layout of your home page, select the "Layout" link located at the top right hand corner of the page.

Home Worklist MultiChannel Console Add to Favorites

Personalize Content | Layout

You can select a basic layout of 2 or 3 columns by selecting the radio button above the layout.

You can move the contents that you selected previously into the column of your choice, in the order of your choice, by using the arrows to the right of the column boxes.

Select the "Save" button to save your layout.

Your Homepage has successfully been update.
