

# Retaining the Right Employees

## Course Description

Every organization has that group of star employees who are the most talented and committed. They are critical to your success. They make your team the best one to play on, and they may even be called the heart and soul of the organization. These are the ones your competitors are seeking to hire, so how do you get them to stay and work for you?

## Target Audience

This course is intended for all department chairs, managers, and supervisors.

## Course Objectives

- Identify ways to know what employees need and want
- Discuss methods for creating connections with your employees
- Discuss how to build the future of your employees
- Discuss the five career paths for employees
- Identify methods for encouraging your employees to find the work they love without leaving the organization
