

Succession Planning

Course Description

When key employees move on – whether expectedly or unexpectedly – organizations need a good succession plan in place. This course meets the demand for proven guidelines that help organizations understand the depth of their growing talent pool as well as the increasing need to achieve growth and performance through the identification and development of top talent.

Target Audience

This course is intended for all department chairs, managers, and supervisors.

Course Objectives

- Define succession planning
- Discuss key trends influencing succession planning
- Discuss developing internal successors
