

Supervising People: Management Principles for Success!

Course Description

Trying to achieve goals through others can be challenging to say the least. You are expected to be a manager, psychologist and cheerleader all wrapped in one. This course will offer you proven strategies for inspiring others to perform with pride, delegating effectively and increasing productivity.

Target Audience

This course is intended for all new and mid-level managers and supervisors.

Course Objectives

- Identify/define roles and responsibilities of today's workplace supervisor/manager
- Discuss problem areas in supervising/managing others
- Discuss effective and successful methods for managing and supervising others
- Explain ways to empower people through positive and effective communication
