Biographical/Historical Note:
Dr. Thomas R. Wright received his medical degree from the Medical College of Georgia in 1876. He taught at MCG for 47 years, first as professor of anatomy and later as professor of surgery. He was known as a skillful surgeon. Dr. Wright served as dean of the Medical College of Georgia from 1894-1896.

These papers were given to the Library by his grandson, Dr. Thomas W. Goodwin.

Scope and Content:
1) Copy of "Remarks upon penetrating wounds of the abdomen with the suggestion of a change of practice in such cases" by L.A. Dugas, MD., 1876
2) Operative Surgery, Oct. 5, 1896
3) Joseph Atkinson, March 19, 1897 (maybe an exam paper)
4) Physician’s bill for J. Thaddeus Smith, 1878
5) The envelopes that the papers were originally housed in. Title of paper with Drs. Wright's and Goodwin's signatures are on outside of envelopes.
