    - Plans to return after subspecialty training
  - 8/10 plan on doing general medicine
    - Two chief residents
    - Five hospitalists
    - One primary care

## Retention (to date) from IM Program

- ▶ First 10 graduates
  - 9/10 staying in GA
  - 1/10
    - Chief residency at University of Illinois-Urbana
    - Plans to return after subspecialty training
  - 8/10 plan on doing general medicine
    - Two chief residents
    - Five hospitalists
    - One primary care

## Summary

- ▶ WKRCMC GME program development addresses:
  - State's issues related to physician training slots for GA medical schools (less need to export physicians)
  - State's physician shortage
  - Access to care
  - Health care disparities
