One45: The Basics

One45 is a curriculum tool used by MCG for evaluations, schedules, and competency tracking. As a clinical preceptor, you will receive evaluations to complete on students, as well as procedure logs to verify through this system. Additionally, your teaching evaluations will be located here once they are collated.

Login:

Login at <https://gru.one45.com/>

The user id and password are NOT the same as your net ID. If you do not remember them, please click the "Need help loggin in?" link to reset your password.

Evaluations:

Check your "to do" box for work to complete.

Once evaluations are complete, these items will disappear from your "to do" box.

Teaching Reports:

When available, teaching summaries will be in your "to do" box under "Results to confirm." Once confirmed they will be accessible under "Reports."

For any questions about One45, please contact Evaluation Services at (706) 721-8588 or email Dr. Andria Thomas athomas@gru.edu

Thank you for all the work you do!!
