As one of the nation’s first medical schools, the Medical College of Georgia at Augusta University has a long legacy of training outstanding physicians. One in five Georgia physicians have either attended MCG, or completed their residency at MCG/AU Health.

The 230 students admitted into the 2019 entering class are the latest individuals to join the MCG family. These exceptional students were selected based on a host of criteria including, but not limited to academic metrics, intellectual curiosity, health care experience, leadership, and service to others.

The talented individuals that comprise the Class of 2023 are as diverse as the population they will one day serve and are reflective of MCG’s core values of collegiality, compassion, excellence, inclusivity, integrity and leadership.

**2019 Entering Class**
- Total Applications: 3,100
- Accepted Students: 230
- Male*: 106
- Female*: 123
- Non-Georgia Residents: 10
- Georgia Counties Represented: 44

*1 declined to answer

**Committed to Diversity**
- 52 Underrepresented in Medicine

**Academically Outstanding**
- Average GPA Overall: 3.8
- Average GPA Science: 3.7
- Average MCAT: 511
