12 acceptances (10 posters, 1 podium and 1 video) to the upcoming Southeast Section of the AUA meeting in Nashville.

Poster# 26 OUTCOMES OF SACRAL NEUROMODULATION IN CHILDREN WITH DYSFUNCTIONAL ELIMINATION SYNDROME AND NEUROGENIC BLADDER Reena Kabaria, Patrick Fox, Shenelle Wilson, Zachary Klaassen and Durwood Neal Jr Georgia Regents University Augusta, GA (Presented By: Reena Kabaria)

Poster# 36 CHARACTERIZATION OF PEDIATRIC EMERGENCY ROOM EVALUATION FOR GENITAL LACERATION, ABRASION, AND CONTUSION INJURIES Shenelle Wilson¹, Brandon Wilson², Patrick Fox², Zachary Klaassen² and Durwood Neal² ¹Department of Surgery, Section of Urology, Georgia Regents University, Augusta, GA; ²Georgia Regents University, Augusta, GA (Presented By: Shenelle Wilson)

Podium 1:58 PM #17 THE ROLE OF ROBOTIC SURGERY IN THE TREATMENT OF COMPLEX KIDNEY STONES – A SINGLE CENTER EXPERIENCE. Erika Ibarra, Zachary Klaassen, Martha Terris and Rabii Madi Georgia Regents University, Augusta, Georgia (Presented By: Rabii Madi)

Poster# 40 ROBOTIC SALVAGE PARTIAL NEPHRECTOMY : A VIABLE APPROACH FOR THE MANAGEMENT OF LOCAL TUMOR RECURRENCE FOLLOWING FAILED NEPHRON SPARING SURGERY Erika Ibarra, Zachary Klaassen, Martha Terris and Rabii Madi Georgia Regents University, Augusta, Georgia (Presented By: Rabii Madi)

Poster# 46 EARLY EXPERIENCE WITH RETZIUS SPARING ROBOTIC RADICAL PROSTATECTOMY. Al Ray, Erika Ibarra, Zachary Klaassen, Martha Terris and Rabii Madi Georgia Regents University, Augusta, Georgia (Presented By: Rabii Madi)

Poster# 71 END DIASTOLIC VELOCITY VERSUS RESISTIVE INDICES IN PREDICTING BETTER CLINICAL RESPONSE USING PENILE DOPPLER ULTRASOUND FOR PATIENTS WITH ERECTILE DYSFUNCTION Casey McCraw, Zachary Klaassen, Reena Kabaria, Roger Chen and Ronald Lewis Georgia Regents University, Augusta, GA (Presented By: Casey McCraw)
**Poster# 100** CHARACTERIZATION OF GENITAL FOREIGN BODY INJURY RELATED HOSPITAL VISITS: A POPULATION-BASED ANALYSIS
Shenelle Wilson¹, Zachary Klaassen¹, Erika Ibarra² and Durwood Neal¹ ¹Department of Surgery, Section of Urology, Georgia Regents University, Augusta, GA; ²Georgia Regents University, Augusta, GA (Presented By: Shenelle Wilson)

**Poster# 102** ETIOLOGY AND CHARACTERIZATION OF GENITAL LACERATION, CONTUSION, AND ABRASION INJURIES
Shenelle Wilson¹, Brandon Wilson², Reena Kabaria², Zachary Klaassen² and Durwood Neal² ¹Department of Surgery, Section of Urology, Georgia Regents University, Augusta, GA; ²Georgia Regents University, Augusta, GA (Presented By: Shenelle Wilson)

**Poster# 127** PATIENTS ≥80 YEARS OF AGE UNDERGOING RADICAL CYSTECTOMY FOR T2 BLADDER UROTHELIAL CARCINOMA HAVE SIGNIFICANTLY IMPROVED OVERALL AND DISEASE SPECIFIC SURVIVAL OUTCOMES
Leslie Peard¹, Zachary Klaassen², Rita P. Jen², John M. DiBianco³, Lael Reinstatler², Jigarkumar R. Parikh², Durwood E. Neal, Jr², Martha K. Terris² and Rabii Madi² ¹Medical College of Georgia - Georgia Regents University, Augusta, GA; ²Medical College of Georgia - Georgia Regents University Cancer Center, Augusta, GA (Presented By: Leslie Peard)

**Poster# 128** UPPER TRACT UROTHELIAL CARCINOMA LOCATED IN THE RENAL PELVIS HAS WORSE CLINICAL OUTCOMES COMPARED TO THE URETER: A POPULATION-BASED ANALYSIS
Benjamin T. Harper, Zachary Klaassen, Rita P. Jen, Grace Yaguchi, Ross Everett, John M. DiBianco, Martha K. Terris and Rabii Madi Medical College of Georgia - Georgia Regents University, Augusta, GA (Presented By: Benjamin T. Harper)

**Video # 9** ROBOTIC PARTIAL NEPHRECTOMY ON MULTIPLE KIDNEY TUMORS. A SAFE ALTERNATIVE TO RADICAL NEPHRECTOMY
Erika Ibarra and Rabii Madi Georgia Regents University, Augusta, Georgia (Presented By: Rabii Madi)

**Poster# 210** THE ASSOCIATION OF FATTY ACID LEVELS AND GLEASON GRADE AMONG MEN UNDERGOING RADICAL PROSTATECTOMY
Lael Reinstatler¹, Zachary Klaassen¹, Yi Xu², Xiaoyu Yang³, Rabii Madi¹, Martha K. Terris¹, Steven Y. Qian³, Uddhav Kelavkar³ and Kelvin A. Moses⁴ ¹Medical College of Georgia - Georgia Regents University Cancer Center, Augusta, GA; ²North
The Sexual Medicine Society of North America has named the Male Sexual Medicine Clinical Prize after Dr. Ronald Lewis.

Lyndi Baldy, RN in CT Surgery received the Patient and Family Centered Care Award in October 2015
Plastic Surgery

Drs. Phuong Pham and Mohamad Masoumy took home 1st place in the overall competition for peripheral nerve repair skills at the microsurgical peripheral nerve course at University of Pennsylvania School of Medicine in Philadelphia, PA. Attendants of the course were from hand and plastic surgery fellowships all around the country.

Oncology

1) We started a 6 week educational curriculum for our residents entitled “Academic Career Development” modeled after the DCAS (Developing Careers in Academic Surgery) presented annually during the American College of Surgeons meeting.
2) Dr. Albo was an International Visiting Professor during the joint Argentinian Surgical Society and International Society of Surgery Congress held in Buenos Aires, Argentina on November 9-12 and lectured on topics involving Minimally Invasive Surgery for Colorectal Cancer.
3) Acquired one of the most advanced simulators for training in minimally invasive colorectal surgery with huge implications for residents/retraining older surgeons.

Trauma/ACS

1) We started a 6 week educational curriculum for our residents entitled “Academic Career Development” modeled after the DCAS (Developing Careers in Academic Surgery) presented annually during the American College of Surgeons meeting.
2) Dr. Albo was an International Visiting Professor during the joint Argentinian Surgical Society and International Society of Surgery Congress held in Buenos Aires, Argentina on November 9-12 and lectured on topics involving Minimally Invasive Surgery for Colorectal Cancer.
3) Acquired one of the most advanced simulators for training in minimally invasive colorectal surgery with huge implications for residents/retraining older surgeons.

MIDDS
Dr. Brian Lane/Dr. Aaron Bolduc: Presented 2 posters at the ASMBS Nov3-6 in Los Angeles, CA.

Poster 1: Catastrophic Upper GI Bleeds in Gastric Bypass Patients from Ulceration into the Splenic Artery.
Poster 2: Intraoperative Endoscopy in Bariatric Surgery.

-Dr. Alan Herline – Spoke at the Medical Association of Georgia conference in October, 2015
