CNR Seminar

Nursing Students’ Attitudes and Beliefs toward Transgender and Gender-Nonconforming Individuals

Friday, July 9, 2021
12:00 to 1:00 p.m.

Dr. Castleberry will describe the current state of healthcare for transgender and gender-nonconforming (TGNC) individuals. She will describe her research findings regarding demographic variables that have a significant impact on attitudes and beliefs about the TGNC population. She also will discuss how attitudes and beliefs can impact the provision of healthcare for this population.

We have applied for 1.0 CE contact hour.

Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This will be a live virtual presentation. Please see your Outlook calendar invitation for a link to the seminar, or click on the seminar link on the CNR Seminar web page at https://www.augusta.edu/nursing/cnr/seminars.php
